KOALAS (5 Year Olds)

Happy Holidays Families!

Our class had a great month in November! We studied the leaves, weather change and what it means to be thankful during the thanksgiving celebration. We had some great projects correlated with these themes like exploring the body of a leaf and drawing its different features. We were able to FaceTime Mrs. Megan and check in on the baby. We can't get enough of that baby!

For the month of December, we will be exploring all the holidays celebrated around the world. We will see what kind of traditions, foods, decorations and much more that are associated with these holidays. Along with these themes, the children will be able to create some awesome projects like a Kwanza paper quilt. If you have any questions or concerns, please contact Ms. Karla at 773-622-9433 ext. 27 Koalas Classroom, karla@toddlertownchicago.com or message us through the ProCare App.

If you have any questions or concerns, please reach me through email at megan@toddlertownchicago.com

**Thank You,
Mrs. Megan & Ms. Karla**

THE BEARS (4-5 Year Olds)

Happy Holidays Everyone!

To recap the month of November, we discussed day and night, healthy eating and pilgrims and Native Americans. We also celebrated Thanksgiving and discussed being thankful. We made our own vegetable soup and created projects for Thanksgiving.

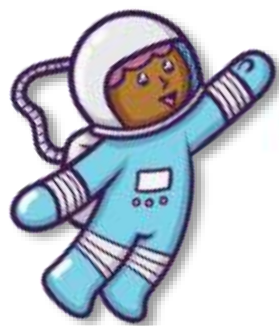

For the month of December, we will discuss ocean animals, holidays around the world, winter fun and new year's fun. We will begin our winter projects using winter art materials and will enjoy gross motor play outdoors, weather permitting. It should be a great month!

THE EXPLORERS (3-4 Year Olds)

Happy November Everyone!

In the month of November, the students focused on a few units such as: What occurs during Fall and Thanksgiving. We continued working on tracing and writing the students' names, the alphabet, and numbers from 1- 10. We went over the meaning of Thanksgiving and being thankful. The children had a lot of fun making Thanksgiving crafts. Finally, we enjoyed a fall festival party to end the month of November.

Going into December we will be entering the winter wonderland. There will be lots of activities and projects in store this month for the class!

Parents: please be sure to update your child's cubby with winter clothes.

BUTTERFLIES (3 Year Olds)

Hello families!

Happy Holidays! I hope everyone enjoys these festive days with happiness and health! In November, we talked to our children about the importance of sharing our toys and why we need to be kind to our friends and teachers. Also, we asked our children what they were thankful for, and their responses were so lovely to hear, such as being grateful for their mommy and having a new pet! Although we focused on social-emotional this month, we also continued to practice the alphabet, colors, numbers and shape recognition!

In December, we will continue our topics about the weather and what clothes we wear when it is cold outside!

Please stay tuned for all the exciting, excellent activities we are planning for December!

Thank you in advance for your collaboration!

TOUCANS (2 Year Olds)

Hello families

Our class had a wonderful month of learning in the month of November. We learned about healthy eating by making a delicious vegetarian pizza with all kinds of veggies! We studied the difference between day and night by having the children draw a sun on one side of a paper and the moon on the other. We also continued our lessons on letter and number recognition during circle time.

For the month of December, we will have amazing new themes and activities for children! We will be studying different holidays from around the world and their traditions. For example, we will be creating a paper menorah to celebrate the Jewish holiday of Hanukkah!

Thank You,
Ms. Fatima & Ms. Nataly
