## **Here's What We'll Be Up To....**

Welcome to the Month of JULY! This month, we are officially enjoying Summer. Although there has been a rough start with all the storms, there are better days ahead of us!

What an exciting month we will have!

Most of our Classroom will be discussing USA'S independence day, summer and summer clothing, All about beach, Summer Fruits, picnic, zoo animals, even careers and so much more! Summer is exciting and filled with fun activities.

### **Here are some important things to remember:**

- 4<sup>TH</sup> OF July-Independence-Day Sunday, but Center will be Closed Monday, July 5<sup>th</sup>
- July 1st. National Postal Worker Day!
- July 10th, Picnic Day!
- July 20th Moon Day
- July is National
  - Blueberry Month
  - Hot Dog Month
  - Ice Cream month
  - Picnic Month
  - Recreational Month

Congratulations Class of 2021

# Announcements

**Important Info!**

**No open Toe**  
**Shoes!**

**Review Our Center!**

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

## **REMINDERS!**

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

**Since we are now in summer, Toddler Town Teachers will be planning lots of fun outdoor activities with the students. Please dress your child according to the weather and make sure to apply sunblock if needed, since we are not allowed to apply it ourselves.**

**Also, a friendly reminder that students MUST wear closed toe shoes, no sandals or flip flops, safety purposes.**

## KOALAS (5 Year Olds)

Happy Summer Families!

We finally made it to amazing weather that will get us moving and grooving outside. We had a great month of fun activities and learning like the life cycle of the butterfly, comparing summer and winter activities and celebrating all the graduates of 2021. Congrats to you all and we wish you the best of luck with your future!

For the month of July, we will be learning about new themes like what makes up America like the states and national parks, careers, zoo animals. We will also have fun activities associated with these themes as well.

If you have any questions or concerns, please reach me through email at [megan@toddlertownchicago.com](mailto:megan@toddlertownchicago.com) or at Ext 27

**Thank You,  
Mrs. Megan**

## THE BEARS (4-5 Year Olds)

July 2021 Newsletter for the Bears

Happy July, everyone! To recap our month of June, we reviewed the concepts of inside/outside, short/long, we celebrated summer and began with projects for the 4<sup>th</sup> of July. We also held a drive through graduation for the graduates of 2021.

For the month of July, we will continue to review our opposites and positions by discussing top/bottom, up/down and same and different. We will also celebrate the 4<sup>th</sup> of July with more projects. We will enjoy gross motor play outdoors as the weather becomes warmer. It should be a great month!

Ms. Taga

## THE EXPLORERS (3-4 Year Olds)

What a thrilling month of June it has been! The Explorers Classroom jumped into two new letters (B and S). We practiced recognizing and writing those letters as well. The children studied the Life Cycle of Butterflies. They were given a hands-on experience by exploring real life caterpillars, which formed a cocoon and then into beautiful butterflies.

During the month of July, we will be discovering new themes like; Independence Day, Zoo animals, and the Summer Season. The children will continue working on recognizing and writing letters and numbers and learning how to spell their names. We will also be learning how to clean up after ourselves and putting things away correctly.

If you have any questions, please feel free to call us at 773-622-9733 Ext 25 or via email at:  
[cintya@toddlertownchicago.com](mailto:cintya@toddlertownchicago.com) and [karla@toddlertownchicago.com](mailto:karla@toddlertownchicago.com)

Once again thank you for all your support!

## BUTTERFLIES (3 Year Olds)

Hello families!

I hope everyone is having a fun and safe summer! Our kiddos and I are thrilled to be able to enjoy the weather as we explore our classroom theme, "Butterflies!" With this in mind, the butterflies' class had so much fun exploring the four stages of the butterfly. Each child had the opportunity to watch the caterpillar hatch from the eggs to see them turn into butterflies! A fun way for our children to learn this process is by singing, "butterfly fly fly away!" Our children are also growing in math! We are working on numbers one to five! We can not wait to continue exploring more about nature and learning more numbers! The new letter for July is letter D and the continuation of more numbers!

We can't wait for this month to start!

**Thank you in advance for your collaboration!**

## TOUCANS (2 Year Olds)

Hello families!

Our class had wonderful month! We learned so many things like colors, shapes, animals, and we saw the life cycle of the butterfly. We also had fun activities and crafts to engage the children with the understanding the butterfly lifecycle. For example, the children completed a caterpillar activity where they had to place the numbers 1-4 in the correct order with the help of a teacher. We had great weather, which allowed us to appreciate our outside time. We had a great month of learning, and we can't wait to see what next month brings!

For the month of July, we have some wonderful themes in store! The children will continue their lessons on colors, shapes, numbers. They will also study the weather, careers, and beaches! Along with these new themes, there will be some great activities to correlate with them.

Thank You,  
Ms. Fatima and Ms. Yaritza
