Here's What We'll Be Up To....

Welcome to the Month of JUNE! This month, we Celebrate Fathers, our Preschool Graduates and we will also Welcome Summer!

What an exciting month we will have!

Most of our Classroom will be discussing the life cycle of a Butterfly and will be experiencing the process live.

Since we are welcoming summer, Toddler Town Teachers will be planning lots of fun outdoor activities with the students. Please dress your child according to the weather and make sure to apply sunblock if needed, since we are not allowed to apply it ourselves.

Also, a friendly reminder that students must wear closed toe shoes, no sandals or flip flops, safety purposes.

Here are some important dates to remember:

June 1st -Stand For Children Day

June 4th Donut Day

June 6th – World Environment Day

June 10th - National Yo-Yo Day 

June 15th –Fly a Kite Day

June 18th – International Picnic Day

June 20th – FATHER'S DAY 

June 21st -FIRST DAY OF SUMMER!!  

June 18th-GRADUATION DAY!

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

Covid-19 Updates!

Teachers get Covid tested Every Tuesday Morning!

Please keep your child(ren) home if they have any symptoms which include, fever, cough, diarrhea, vomiting, shortness of breath, sore throat, muscle pain, green mucous, loss of taste or smell and if you have left the USA or have travelled to a HOT ZONE you can NOT enter the school.

REMEMBERS!

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

KOALAS (5 Year Olds)

It's a Girl!

Hello Families!

We had such a great month of learning and excitement! We studied new words, subtraction, and different kinds of environments. We also worked on creating our favorite kind of environment using a shoe box and different kinds of animal pictures. We also had a very exciting announcement that our newest Koalas member will be a GIRL! So, she will be here on October 31st, and we are very excited about the baby!

June is going to be a very busy and exciting month! We will be learning about different kinds of careers, cultures, and summer! For the week of graduation, you will receive a spirit week flyer. We will have a fun filled week celebrating our time here at Toddler Town.

Gradation Students,

Our graduation will be on Friday, June 18, 2021, from 4:00 pm-6:00 pm. Your child will need to be picked up by 3:00 pm. I have passed out a flyer to all parents with information about what the day will consist of and where to order graduation outfits. If you have any questions or concerns, please see me or Mr. Robert and we will be happy to help.

If you have any questions or concerns, please reach me through email at megan@toddlertownchicago.com or at Ext 27

Thank You,
Mrs. Megan

THE BEARS (4-5 Year Olds)

Happy June, everyone! To recap our month of May we reviewed our alphabet with different activities as well as alphabet games. We also began our opposites and positions by reviewing the concepts of more/less and big/little.

For the month of June, we will continue to review our opposites and positions by discussing on/off, inside/outside, and short/long. We will also celebrate summer by making special summer projects using natural materials and Father's Day by making a gift for our father figures. We will enjoy gross motor play outdoors as the weather becomes warmer. It should be a great month!

THE EXPLORERS (3-4 Year Olds)

What a magnificent month of May it have been! We celebrated Mother's Day and We had such a great time! The Explorers classroom entered the RAINFOREST and Oh the things we saw and heard. To recap this month, the Explorers learned about Germination of Seed, Life Cycle of Beans, and Flowers. We are also working on recognize the Letter of the month which was the Letter "S" and spelling and writing students names.

We will be entering Summer in June, so we will be working on summer art projects and enjoying some fun science projects. We will continue working on the letter "S" and numbers 6 and 7. We will also talk about dads and create Father's Day gifts for our fathers. The weather will be hot, and we will be enjoying more of the outdoors, so put sunscreen on your child before coming to school. Also, be sure to update your child's cubbies with the appropriate weather attire.

If you have any questions, please feel free to call us at 773-622-9733 Ext 25 or via email at: cintya@toddlertownchicago.com and karla@toddlertownchicago.com

Once again thank you for all your support!

BUTTERFLIES (3 Year Olds)

Hello families!

June is Finally here! Our kiddos and I cannot wait for summer! May was full of excitement and entertainment! For May, our kiddos had new challenges and new goals. One of the most incredible things our kiddos learned was the process of a plant! Our children had the opportunity to plant their seeds and water them as we watched our plants grow! Another exciting thing was seeing our kiddos getting better and better at writing their name!

For June, we will be focusing on the letter D! We will start working more on writing and recognizing numbers 1 to 5!

We can't wait for this month to start!

Thank you in advance for your collaboration!

If you have any questions, please feel free to call us at 773-622-9433 EXT 23

TOUCANS (2 Year Olds)

We had an excellent month of May. We went over a lot of activities based on our colors. The colors that we mostly went over were pink, purple and blue. We also learned our letter "A" and recognized our five senses doing fun activities. We also enjoyed the outdoors a lot more this month.

In the month of June, we will once again go over colors, but this time we will go over more of the color: while we do fun and educational activities. We will have more sensory activities based on sensory experience with animals that live in the ocean, therefore children will gain more knowledge on what animals live in the ocean.

To be finalized I wanted to give you a friendly reminder that the summer heat is approaching, and we would appreciate it if you can please send your child with appropriate clothing for the summer weather
