2021

Here's What We'll Be Up To...

Welcome to the Month of May 2021 Everyone! Wow! Time is definitely flying! Finally, we will be able to enjoy the nice weather, in the outdoor with our children. Being home is no Fun.

The month of May is always fun. Students are learning about nature, changes in the environment and about life. Most of our students will be learning about how plants grow, and about the life cycle of a butterfly. Not only that, but children will be learning about pets, and birds and transportation, and about many more bugs and insects, all depending on the classroom that they're in. These are all related to the changes they will be seeing along with the change of weather. Children will also somewhat learn about the Mexican culture and why they celebrate Cinco de Mayo.

Since students will be outside more often, please be sure to dress your child according to the weather.

Here are some important dates to remember:

May 3rd-7th -Teacher Appreciation Week

May 4th- National Teacher Day

May 5th- Cinco de Mayo Celebration

May 9th Mothers Day

May 12th International Nurse Day

May 13th Tulip Day

May 31st Memorial Day (School is closed)

Announcements

ProCare Engagement App

- **We want to thank everyone for staying engaged!**
- If you have not done so already, please be sure to sign up for the Parent Engagement App. Teachers are working hard daily to be able to keep all families posted and involved by share pictures, ideas, updates and/or highlights.

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

Covid-19 Updates!

Teachers get Covid tested Every Tuesday Morning!

Please keep your child(ren) home if they have any symptoms which include, fever, cough, diarrhea, vomiting, shortness of breath, sore throat, muscle pain, green mucous, loss of taste or smell and if you have left the USA or have travelled to a HOT ZONE you can NOT enter the school.

REMINDERS!

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the y7 questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

KOALAS (5 Year Olds)

Hey Families!

Our class had a great month of April! We learned so much about the planet Earth we live on like what makes up our planet like water and greenery, the people who live on the planet and how we can take care of our planet like recycling and saving energy. We also continued our studies with addition and sight words. It was a month of ups and downs with the weather but we made the most of it.

Hopefully, we will get more sunny days in May!

In the month of May, our class is going to have a busy month! The students will be learning about caterpillars, butterflies, and different kinds of bugs. We will continue our basic lessons with new sight words and moving on to subtraction. We will also practice our graduation zoom show! The students will practice a few songs to perform for their families. Dates for both the zoom show and Graduation is TBA. We will have answers soon for both events.

If you have any questions or concerns, please reach me through email at megan@toddlertownchicago.com or at Ext 27

Thank You,
Mrs. Megan

THE BEARS (4-5 Year Olds)

Happy May, everyone! To recap our month of April, we reviewed the concepts of vegetables, weather, yellow and zoo animals. We also planted our own green beans and drew our own zoo. We celebrated WOYC with different fun activities for the children as well as with the parents. For the month of May, we will review our alphabet and begin opposites and positions, beginning with more/less and big and little. We will be making our own letters out of different types of collage materials as well as celebrating Mother's Day by making a gift for our mother figures. We will also enjoy gross motor play outdoors. It should be a great month.

Ms. Taga

THE EXPLORERS (3-4 Year Olds)

Welcome Spring. For the month of April, we review our Alphabet and talk about spring.: (What Happens during Springtime). We used different topics such as umbrella and raining days, and flowers.”. To recap this month, the Explorers learned about clouds, kites, different trees. We also celebrated our WOYC, we did a lot of fun of activities such as, Instruments, and pinata. We had such a great time!

For the month of May, The Explorers classroom will work on the Letters of the Alphabet, Focusing on Letter “F”. We are also working on spelling their names and writing them. With that being said, we will be enjoying more of the outdoors so please Parents, be sure to bring necessary outdoor attire.

BUTTERFLIES (3 Year Olds)

Hello Families!

Can you believe May is here?!? Time goes by, and just like our children's development! I want to thank you for staying connected with ProCare and for engaging in our class activities! Our children are getting better at understanding and recognizing the alphabet letters and numbers! In April, we learned about the importance of working as a team, taking care of our teeth, and even made a delicious Snack! We had so much fun learning together! Now that May is here, we will be talking about why the weather changes and how plants grow! Please continue to stay connected with ProCare because we will post fun activities that our class will do during May! Last but not least, we will continue to practice our alphabet letters!

Thank you in advance for your collaboration!

If you have any questions, please feel free to call us at 773-622-9433 EXT 23

Or email me at Nataly@toddlertownchicago.com

TOUCANS (2 Year Olds)

Hello Families!

Our class had a wonderful month! We learned so many things like colors, shapes, and numbers. We also studied bugs, animals and plants. We even had a very special day where we celebrated a holiday from Mexico called The Day of the Young Child. We had a great month of learning, and we can't wait to see what next month brings!

For the month of May, we have some wonderful themes in store! The children will continue their lessons on colors, shapes and numbers. They will also study the weather, careers and beaches! Along with these new themes, there will be some great activities to correlate with them.

Thank You,
Ms. Fatima and Ms. Yaritza
