Where Your Child  
Always Comes First

## Here's What We've Been Up To

Hello all and happy August. I want to say good bye to all of our students who are moving on to BIG School and I want to say hello to all of our new children that have started or are going to start this month. We ended the month of July with a bang with a trip to the zoo. For that reason we are planning another trip soon - so stay on the look out for updates through LIFE CUBBY App/site as well as your child's teacher. You can also find information regarding lesson plans, newsletters, updates and any information regarding your child's growth and development. Make Sure you let Mr. Robert know in writing if your child will not be returning for the upcoming school year this fall. 2 weeks notice is needed in writing to avoid \$300 cancellation fee.

### REMINDER

We will be closed one day in AUGUST for an in service day. Parents will be given 2 weeks notice regarding the closing of the center. We want to Welcome Ms. Selena to the TOUCAN Class !!!

## ANNOUNCEMENTS

## KOALAS (5 Year Olds)

Our classroom had a wonderful month in July! We reviewed past sight words, we studied all kinds of national monuments located throughout America and we said good-bye to some more graduates. We wish them the best of luck at their new schools ! The month of August will be a month of adventures! We will be studying dinosaurs, camping and the planets! Along with these themes, we will be involving ourselves in awesome activities like freezing dinosaurs in fossil eggs. Parents: If you need any kind of paper work before your child departs here from TTDCTOO, please see either myself or Mr. Robert and we will be happy to help.

## THE BEARS (4-5 Year Olds)

Happy August everyone! I hope everyone is enjoying their summer! To recap the month of July, we continued our opposites and positions by reviewing back/front, top/bottom, up/down, and under/over with games and projects. We also celebrated the 4th of July with a sundae party and went on a field trip to the zoo. That was so much fun! For the month of August, we will be reviewing same/different, patterning, sequencing and rhyming. We will also continue to enjoy water play as well as many outdoor activities. It should be a fun month!

## THE EXPLORERS (3-4 Year Olds)

In the month of July, the students focused on Independence Day, the circus and Ocean Animals. We enjoyed making fireworks with the colors RED, WHITE AND BLUE, since those colors represent the American Flag. We also had fun JUMPING into the Ocean and finding all the animals that live in the ocean. We also made a few animals that we voted on as our favorite. In the month of August, we will be working on the Five Senses: sight, smell, hearing, taste and touch. We will discuss examples of SIGHT (colors, faces, eyes), SMELL (flowers, scented markers, Kool-Aid), HEARING (car sounds, animal sounds, musical instruments), TASTE (sour, salty, warm, cold), and TOUCH (soft, rough, gushy, bumpy). We will also continue focusing on learning our letters. If you have any question or concern feel free to call me at 773-622-9433 Ext. 25 The Explorers classroom or email me at [mss.cintya@gmail.com](mailto:mss.cintya@gmail.com)

## BUMBLEBEES (3-4 Year Olds)

The month of July was so much fun as we learned about the history behind the 4th of July and aquatic animals: octopuses, sharks, stingrays, crabs and dolphins. We even worked on creative art projects pertaining to these subjects. We marched around the neighborhood with our 4th of July star flags that the children made. As for our names, we worked on identifying both the letter and sound of the 1<sup>st</sup> letter in our names. This has been such a success that the children are even beginning to identify projects based off the names. August will be just as fun as we will learn about the 5 senses in combination with color and more letter recognition. We will also work on fun projects related to these animals. Parents please keep track of your child's cubbies and be sure to supply them with enough weather appropriate attire.

## BUTTERFLIES (3 Year Olds)

Welcome August! Here comes a new school year and another season. After having an amazing July talking about wild animals and going to the zoo for an awesome experience the butterfly classroom will start welcoming new friends. That means more fun, adventures, and activities. Also a new theme will start in the month of August where children will explore the changes that happen when mixing colors. That's one of the exciting activities coming up this month. Stay on the lookout for updates through LIFE CUBBY and remember if you have any questions, comments or concerns please do not hesitate to talk to Ms. Irene or myself, Ms. Yvonne.

---

## TOUCANS (2 Year Olds)

In the month of August the Toucan's classroom will be learning all about colors, shapes, numbers and insects. The children will be going out for nature walks (if weather permits) and we will be looking for insects. We will also be doing fun arts and crafts that relate to insects. We will have some of our toucan friends transitioning onto the butterflies' classroom with Ms. Yvonne and Ms. Irene. Not only that but we will be have a new teacher joining the Toddler Town Daycare family on August 6 in the Toucan's classroom her name is Ms. Selena.

Where Your Child
