Where Your Child Always Comes First

KOALAS (5 Year Olds)

We had a great first month in 2019! We learned some new words like to, my, for and see. We also did wonderfully on our spelling tests. At the end of the month, we were able to celebrate 100 days of school! Everyone looked awesome in their 100-year-old gear and the 100 posters were terrific. For the month of February we will be studying and celebrating all Famous African Americans throughout history to honor Black History month. Each week will have a theme featuring various man and women of color to explore their history and accomplishments. We will be celebrating Valentine's Day as well on Thursday February 14, 2019. (flyer soon to follow). Parents: The weather has been changing drastically. Make sure you are dressing your child in the appropriate winter wear as well as updating your child's cubbie clothes.

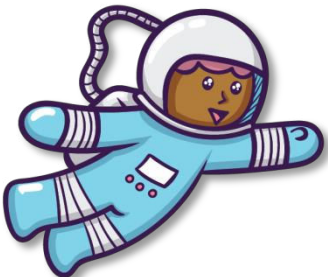

Our school will be closed on Monday February 18, 2019 for President's Day.
At the end of February, I will be conducting Parent Teacher winter conferences.

THE BEARS (4-5 Year Olds)

Happy Valentine's day, everyone! I can't believe February is upon us! To recap the month of January, we discussed manners, went over our numbers, made our own ocean as well as our favorite planet. We also enjoyed snow play, various themed manipulatives and block play. We reviewed our numbers from 14-17. For the month of February, we will continue to review quilts, the color red and shapes and celebrate Valentine's Day with a party. We will also continue with snow play--weather permitting, as well as reviewing our numbers from 18-20. It should be a great month! Remember we are closed on Monday February 18th

THE EXPLORERS (3-4 Year Olds)

January was a great month for The Explorers class. We discussed the topic of winter, snow and cold days. We used a lot of sensory activities which included Sparkly white sand sensory table, shaving cream to create the snow, cotton balls, Snow etc. We continued with our daily routine learning the ABC'S, Numbers, Color and Shapes in English and Spanish.

February is all about love and Friendship. The Explorers will learn about emotion and Valentine's day. We will also continue talking about winter and we are continuing recognizing our Letters, Numbers, Shapes and Colors. Finally, parents please check cubbies to see if your child needs clothes and do not forget to use the plastic bags for Coats and Blankets if you don't have one please feel free and tell me. To finish I would like to thank my parents for being so awesome!

Where Your Child Always Comes First

BUMBLEBEES (3-4 Year Olds)

Hello February! In the month of January, we reviewed the letters A-E, numbers 1-5, and shapes such as oval, pentagon & octagon. We also reviewed what's an upper and lower case letter. This past month we focused on practicing how to write our names, to recognize the letters our names have and learn new vocabulary words. Once a week we had a spelling bee which children will spell their names without looking at their name cards. We started to do some fun activities for our valentine's party coming up. In the month of February, we will continue practicing our names and our vocabulary words. Please check your child's cubbie daily to make sure they have appropriate clothes for this weather. Please remember that we're closed on Monday February 18th. If you have any question please feel free to email me karlacorona91@gmail.com. Thank you to all the parents for the support!

BUTTERFLIES (3 Year Olds)

Happy Valentine's to my Butterfly classroom!! We are in the second month of the new year and excited for all the upcoming events and activities. For the month of January, we enjoyed reading folk/fairy tale stories in the butterfly classroom. Also, we recapped identifying our own names, letters and numbers throughout the classroom. February will be a new month we will spread the love and learn about Life Cycles, friendships and talk about famous African Americans. We will be looking forward to parent-conferences and transitions this month. Please stay on the lookout for parent teacher sign-up sheets that will be located in the front room by the IPADS. . If you have any question or concerns feel free to ask Ms. Yvonne or Ms. Irene. My email is yvonne@toddlertownchicago.com or you can call me @ (773) 622- 9433 Ext. 23.

TOUCANS (2 Year Olds)

Roses are red, violets are blue, sugar is sweet and so are you! Happy valentine's day ☺. In the month of January, the children learned their shapes such as circle, triangle, square, heart and star. We did not only learn shapes, but we also learned how to match shapes using pictures and foam shapes to match with the picture of the shape. For the month of February, the children will learn about colors and friendship. On February 14th we will be having fun games and treats in the classroom. All parents are welcome ☺ ☺ ☺. The games that we will be playing are called wrapped in love, heart hunt, race your heart, bean bag and musical chair. For the rest of February, we will continue to learn about colors.

If there are any concerns, please contact Ms. Areli and Ms. Selena at areli@toddlertownchicago.com or you can call us at (773) 622-9433 EXT 22.
