Where Your Child Always Comes First

KOALAS (5 Year Olds)

The month of June was such an emotional roller coaster! We had a great spirit week full of fun activities ending with the graduate's wonderful performance. We look forward to summer and all the fun it has to offer us! For the month of July, we will be celebrating all things America! We will be learning about the different states, how America came to be and taking a closer look at national monuments. Along with these awesome themes, we will be completing various projects during our small group time. Parents: Please be sure to switch out any clothing in your child's cubby. We will be playing outside a lot this summer and your child may get wet during water play. Also, please be sure to apply sunscreen on your child before they arrive at school. Stay on the look out for an email from My Teaching Strategies our new assessment tool. We are no longer using LIFECUBBY and please make sure that you are signing in/out your child daily as it is a DCFS mandate.

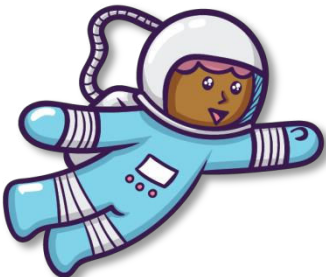

THE BEARS (4-5 Year Olds)

Happy 4th of July! To recap the month of June, we continued reviewing our opposites and positions by discussing the topics of inside/outside, short/long, back /front and summer. We enjoyed making sand castles and making Father's day presents. For the month of July, we will continue our opposites and positions by discussing the topics of top/bottom, up/down, under/over and same/different. We will also continue to enjoy water play and more outdoor play. It should be a great month! Please remember to stay on the look out for MY Teaching Strategies info. Our new assessment tool. We are no longer using LIFECUBBY. Please remember to sign in/out your child at the front counter as it is a DCFS Mandate.

Thank you, Ms. Taga

THE EXPLORERS (3-4 Year Olds)

What a jumping month of June it has been! The Explorers Classroom jumped into a new month recognizing and writing our letters was so much fun. We talked about different zoo animals and the children made some cool art projects that are displayed throughout the classroom. During the month of July these are some of the things your child will be learning: Independence Day, the summer season, writing our first and last name, learning the spelling of our name and recognizing and remembering different letters. We will also start a unit on Sea animals. We will start training the new children in the class how to clean up after themselves and putting materials away correctly as July will have new faces in the Explorer class. Please sign in/out your child daily as it is a DCFS mandate and stay on the look out for My Teaching Strategies our new assessment tool. We are no longer with LIFECUBBY. If you have any questions, please feel free to contact me at 773-622-9433 Ext. 25

Where Your Child Always Comes First

BUMBLEBEES (3-4 Year Olds)

What a magnificent month of June! To recap this month, the Bumblebees learned about spelling and writing their names and went over numbers 10-13. We also practiced our pattern skills and we were able to make our own patterns throughout the classroom using small manipulatives. The bumblebees had the chance to enjoy some of the nice weather June left us. For the month of July, we will continue working on the ABC'S and Numbers, spelling names and writing them. We will be practicing our colors in Spanish and we will be doing summer activities such as creating our own beach, palm trees and things we take to the beach. Parents please be sure to bring necessary outdoor attire for the summer. Please don't forget to sign in/out your child daily as it is a DCFS Mandate. Stay on the lookout for My teaching Strategies our new assessment tool as we are no longer with LIFECUBBY. If you have any question, feel free to contact me at 77-622-9433 Ext.23

BUTTERFLIES (3 Year Olds)

Happy 4th!! Throughout the month of June there were many celebrations for our graduates, and we are so proud of them all. Parents as soon as the teachers know what students are moving to the back classrooms, we will let you know ASAP. Please make sure you speak to your child about the change and prepare them for their new teacher.

You can always ask Ms. Yvonne, Ms. Irene, Mrs. Megan or Mr. Robert if you have any concerns or questions about transitions. Also, parents there is a field trip coming up on August 2nd please make sure to double check if your child will be coming with a chaperone on the field trip as fees are due July 26,2019. If you have any questions, teachers and staff will be more than happy to answer any questions you may have. Please remember to sign in/out your child daily as it is a DCFS mandate. Stay on the lookout for My Teaching Strategies info as it is our new assessment tool as we are no longer with LIFECUBBY. Phone is (773)622-9433 ext. 23 Thank you

TOUCANS (2 Year Olds)

For the month of July, the children will be celebrating Independence Day with fun activities throughout the day. The teachers will also be preparing the children for the upcoming field trip to the zoo by learning about zoo animals & creating different arts and crafts for the children to learn and explore. As we will be switching up the themes for the month of July the children will also be learning about ocean animals, we will be making sensory bottles to help the children understand a bit more of ocean animals. We will be reviewing our numbers 1-10 as well as our primary colors. Stay on the lookout for My Teaching Strategies our new assessment tool as we are no longer with LIFECUBBY. Please sign in/out your child as it is a DCFS Mandate. If you have any questions, please feel free to contact us at 773-622-9433 EXT 22 ☺
