

June 2019

Where Your Child
Always Comes First

**KEEP
CALM
SUMMER
IS ALMOST
HERE**

Here's What We've Been Up To

Hello all and happy **JUNE** , We want to take this time and congratulate our students on their upcoming graduation on Friday June 21st @ 645pm at LAGOS BANQUETS. If your child is graduating they have to be picked up by 3pm on Friday June 21st . Your child should have been assigned a leave date as we can not keep them until the FALL.

Have you received your child's leave date if your leaving in the FALL ? If not, please see your child's teacher to avoid a \$300 cancellation fee. Graduates can not stay until SEPTEMBER/FALL.

Make sure credit cards are up to date and to make payments on 1st & 15th of every month

2 weeks notice is needed in writing to avoid \$300 cancellation fee.

Chocolate money is due - See Robert in the office for more details ☺☺☺☺☺☺☺

ANNOUNCEMENTS

Important INFO!

**Toddler Town
Graduation is
Friday June 21st
@645pm
LAGOS BANQUETS**

MORE INFO!

Where Your Child Always Comes First

KOALAS (5 Year Olds)

Our class had an awesome month of learning in the month of MAY! We studied all things science. We learned about animals and their habitats, weather, cause and effect and the human body. We had some great projects with these themes which entailed rainbow cups and a rain jar. There may be some future scientists in our class so stay on the lookout😊😊😊. The month of June is going to be an exciting month for our class! 1st off we will be graduating on the 21st as well as having a fun spirit week celebrating our time at Toddler Town Daycare! Formal invitations have been passed out for the extravaganza and we will be ordering the children's caps and gowns soon. The graduation fee will be \$60. The money will be due June 6, 2019. If the graduation fee has not been turned in by then, your child will not be able to graduate. All children need to be picked up by 3pm on the 21st in order for us to prepare for the party. If you have any questions or concerns please see Mr. Robert or myself and we will be happy to help.

THE BEARS (4-5 Year Olds)

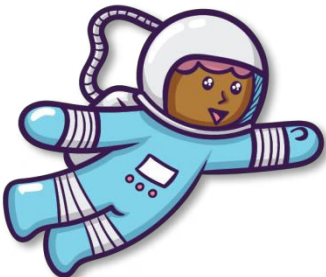

Happy Summer, everyone! I can't believe summer is upon us! To recap the month of May, we reviewed our letters from N-Z as well as the concept of more/less. We also began our opposites and positions by reviewing the concept of big/little and on/off. We also celebrated Mother's day by making special gifts for our moms. For the month of June, we will continue reviewing our opposites and positions by discussing the topics of inside/outside, short/long, and back/front. We will also celebrate the beginning of summer with various summer projects as well as with a beach party. We will celebrate Father's Day as well by making our father figures something special. It should be a great month!

Happy Summer!

Ms. Taga

THE EXPLORERS (3-4 Year Olds)

What a magnificent month of May! To recap this month, the Explorers learned about spelling and writing their names, the letter "Ww" and the number 14. We also talked about kites, different trees and different rainforest animals. We will continue working on ABC'S and Numbers, spelling the names and writing them.

We will be entering summer in the month of June, so we will be working on summer art projects, enjoying some fun science projects and focusing on the letters X and Y. We will also talk about dads and create Father's Day gifts for our fathers. The weather will be hot and we will be enjoying more of the outdoors so put sunscreen on your child before coming to school. Also, be sure to update your child's cubbies with the appropriate clothing. If you have any questions, please feel free to contact me at 773-622-9433 Ext. 25 or email me at

Where Your Child Always Comes First

BUMBLEBEES (3-4 Year Olds)

May was a fun month for the Bumblebees as we enjoyed working on our Mother's Day activities along with other arts and crafts throughout the RAINY month ☺. We continued to review the alphabet and we were able to identify more from less using different manipulatives throughout the class. Also, we had fun learning about aquatic animals. For the month of June, we will continue reviewing our alphabet, colors, shapes and numbers in Spanish and English. We will talk about Father's Day and we will discuss during circle time what dads or father figures do for us. We hope to enjoy more of the outdoors so please parents, be sure to bring necessary outdoor attire and utilize your child's blue/clear bags for their sweaters or home toys. If you have any questions, feel free to contact me at 773-622-9433 Ext. 23

BUTTERFLIES (3 Year Olds)

Hello June and goodbye May! Such a great feeling to finally have summertime around the corner. May was feeling a lot like April showers then May flowers but here we are welcoming June. May was such a success with only having Mother's Day and Memorial Day to embrace us now can embrace all those wonderful fathers out there and our graduates. Our graduates have been practicing for their graduation ceremony which will be June 21st at 6:45 pm at LAGOS BANQUETS. Father's Day will be June 16th so stay on the lookout for our craft for the dads☺. Now in the butterfly classroom we will be speaking about different types of sports which I think is a great way to get our kids up and ready for the summer. If you have any questions or concerns please feel free to ask Ms. Irene. Ms. Yvonne at (773)622-9433 ext. 23

TOUCANS (2 Year Olds)

Bye-bye May and hello June! In the month of June the children will continue to work on number recognition by counting and going on number hunts throughout the classroom. We will start our unit of the life of a butterfly. There will be caterpillars in the classroom, the children will watch the caterpillar's life cycle where they grow and turn into beautiful butterflies. There will also be summer activities that will be posted in the daily newsletter in LIFE CUBBY, so please stay on the lookout. We will gauge the children's interest during these activities and may stay on one activity longer than others. Parents - regarding birthdays, you're more than welcome to bring in treats for your child's birthday that are store bought (all sugar and peanut free, cheese pizza can also be an alternative). Please make sure your child has clothing in their cubbies.
