THE BEARS (4-5 Year Olds)
&
KOALAS (5 Year Olds)

Happy Summer Families!

Our little graduates had a wonderful month in June! We celebrated our father figures and explored the world of caterpillars, butterflies and ocean life. Thank you to all our families and students for a fantastic graduation! We had such a blast!

We are kicking off summer with some awesome events! Our students will be studying new and fun themes. The children will be learning about activities to do in the summer, fireworks, water safety and beach life. The children will have some great projects associated with these themes as well like fireworks straws.

If you have any questions or concerns, please contact Ms. Karla at 773-622-9433 ext. 27 Koalas Classroom, karla@toddlertownchicago.com or message us through the ProCare App.

THE EXPLORERS (3-4 Year Olds)

What an exciting month June has been! The Explorers class learned about the life cycle of the Butterflies, the different kinds of ocean animals, and created something special for the father figures in their lives. We also practiced writing and spelling the students' names.

During the month of July these are some of the themes your child will be learning: Independence Day, fireworks, water safety, zoo animals, and the sun. We will continue working on recognizing and writing letters and numbers and learning how to spell our full names. We will also be learning self-sufficiency by cleaning up after ourselves and putting things away in the correct areas.

If you have any questions, please feel free to call us
at 773-622-9433 Ext 25 or via email at: cintya@toddlertownchicago.com Once again thank you
for all your support!

BUTTERFLIES (3 Year Olds)

We hope everyone is having a fun and safe summer! Our kiddos are thrilled to be able to enjoy the weather by spending time outside and exploring some gross motor activities! With this in mind, please have your child brought to school in closed toed shoes. This is for the safety of our children. Also, please be sure to apply sunscreen before coming to school. During the month of June, we explored exciting themes such as ocean animals, the life cycle of a butterfly, and celebrating our preschool graduates! We were all so excited and happy to see our children participating during our spirit week! Summer fun it just started! For the month of July, we are going to talk about fireworks, beach time, water safety, and of course Mr. sun! Our children are also going to be participating in outdoor science activities!

TOUCANS (2 Year Olds)

Hello families!

Our class had a great month in June!

We learned so many things like; colors, shapes, and animals. We also had fun activities and crafts as well. For example, the children created a cute collage of photos, and they painted their hands onto a white sheet of paper. We had good weather, which allowed us to enjoy our time outdoors. We had a wonderful month of learning, and we can't wait to see what the next month brings.

For July, we have some fun themes in store! Children will continue their lessons on colors, shapes, numbers, and names. The children will also learn about, fireworks, water safety, the beach and outdoor summer activities! We have some great crafts to create with these themes such as fireworks sand art.

Thank You,

Ms. Fatima & Ms. Yvonne
