THE BEARS (4-5 Year Olds) & KOALAS (5 Year Olds)

Hello Koala/Bears!

Our class had a great month of learning in April! The children discovered new themes like plants and clouds. We also celebrated our Mother Earth by making a pledge to protect our earth as often as we can. We had a wonderful NAEYC Week of the Young Child! Thank you for all your help and being a part of the celebration!

For the month of May we hope to see beautiful flowers and greenery popping up! Next month the children will be learning about magnificent moms, ocean animals, careers, and different kinds of weather. With these fun themes, the children will have great projects as well like making something special for our moms.

If you have any questions or concerns, please contact Ms. Karla at 773-622-9433 ext. 27 Koalas Classroom, karla@toddlertownchicago.com or message us through the ProCare App.

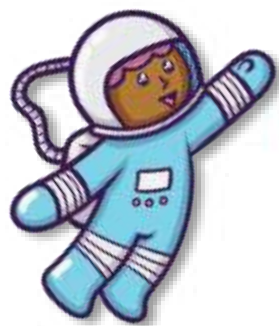

If you have any questions or concerns, please reach me through email at megan@toddlertownchicago.com

THE EXPLORERS (3-4 Year Olds)

Welcome Spring!

In the month of April, we reviewed our letters and talked about spring. We also discussed clouds, seeds, plants, recycling and taking care of the earth. We also celebrated our NAEYC's Week of the Young Child by making instruments, visiting the dentist, making tasty treats and building a big tower together. We had such a great time!

For the month of May, The Explorers classroom will continue working on recognizing the letters of the Alphabet and focusing on letter "F". We are also going to work on spelling the children's names and writing them. As the weather is getting nicer, we are going to have plenty of outdoor time. Please have your child dress in the appropriate attire for exploring the outdoors.

Parents: please be sure to update your child's cubbies with new clothes.

If you have any questions, please feel free to call us
at 773-622-9433 Ext 25 or via email at: cintya@toddlertownchicago.com Once again thank you for all your support!

BUTTERFLIES (3 Year Olds)

Can you believe May is here?!?

Time goes by quickly! Our kiddos and I are so happy to finally put our puffy jackets away and start wearing our spring collection! For April, we had a great time learning about the life cycle of plants, how to make the earth a better place, and we celebrated the week of the young child! I would like to thank all our parents for bringing goodies for our kiddos during the week of the young child and participating in our family night video call!

We are thrilled to see what the month of May will bring and also for the weather to be nicer. For the month of May we are going to explore Nature, weather, careers, ocean animals, and last but not least we will talk about Magnificent moms! Please continue to stay connected with ProCare because we will post fun activities that our class will do during May!

Thank you in advance and for your collaboration!

TOUCANS (2 Year Olds)

Hi Parents!

The Toucans class had a wonderful month of learning new themes! The children learned about the clouds, seeds and plants, the earth and NAEYC WOYC! The children also had a lot of fun visiting the dentist.

In the month of May, the children will be looking into new and exciting themes. The children will be exploring ocean animals, mothers, nature, and different kinds of weather! Along with these themes, we will have some fun projects like tornado in bottle.

Thank you and we look forward to what the season will bring!

Thank You,

Ms. Fatima & Ms. Yvonne
