Announcements

Toddler Town Open Enrollment

- **We want to share with Everyone that Toddler Town Currently has Open Enrollment.**
 - **Refer a family member or a friend and receive \$100 off your tuition after a full month of attendance.**

Important Info!

Although it's Autumn, the weather is dropping a lot. Dress your child accordingly and please be sure to update your child's cubby bin.
Keep In mind that Student go outside daily as long as it's between 32 and 92 degrees.

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

REMEMBERS!

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half of the tuition. If you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.

Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

Please be sure your child comes to school Wearing a mask and please be sure your child has two extra masks in their bin at all times.

Parents, YOU ARE NOW ABLE TO PAY TUITION THROUGH THE PROCARE ENGAGEMENT APP. ASK US HOW!

Where Your Child Always Comes First

KOALAS (5 Year Olds)

Happy Fall Y'All!

The month of October had its ups and downs. Unfortunately, I had to start my maternity leave early but our kids are left in the trusty hands of Ms. Karla! I have checked in on our students every once and while to read them a story or to play games.

With Ms. Kalra, they were learning about apples, trees, pumpkins and celebrating fall fest!

They are doing wonderful, and I have high hopes for them.

For the month of November, we have some exciting themes and activities for the children to learn. They will study the transition from fall to winter, the spirit of being thankful, Native American culture and how the story of thanksgiving came to be. Some activities the children will be creating are Thankful Tom Turkeys and Native American bowls out of clay.

If you have any questions or concerns, please contact Ms. Karla at 773-622-9433 ext. 27 Koalas Classroom, karla@toddlertownchicago.com or message us through the ProCare App.

If you have any questions or concerns, please reach me through email at megan@toddlertownchicago.com

**Thank You,
Mrs. Megan & Ms. Karla**

THE BEARS (4-5 Year Olds)

Happy Thanksgiving!

To recap the month of October, we discussed fire safety, used different materials that came from tree for art projects and made collages out of items that we saw on a tree. Students also planted apple seeds and decorated their own pumpkins.

We also had a costume party for our fall festival, and everyone brought in lots of healthy snacks.

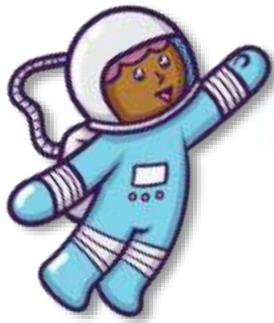

For the month of November, we will discuss healthy eating, pilgrims and Native Americans, Being Thankful and begin to Fall into Winter. We will continue our fall projects using fall art materials and to enjoy gross motor play outdoors. It should be a great month!

THE EXPLORERS (3-4 Year Olds)

October was a spectacular month for our class. We were working on fire safety, trees, pumpkins, apples, and fall fest. We also practiced tracing and writing names, the alphabet and numbers from 1-5.

Parents, thank you so much for bringing pumpkins for decorating at our fall fest party! Our children loved it!

In November, the students will focus on a few new units with letters, numbers, shapes, and friendships. We are also going to talk about the meaning of being thankful and the story of Thanksgiving. There will be great activities associated with these themes like creating your own thanksgiving centerpieces.

If you have any questions, please feel free to call us

at 773-622-9433 Ext 25 or via email at:

Where Your Child Always Comes First

BUTTERFLIES (3 Year Olds)

Hello families!

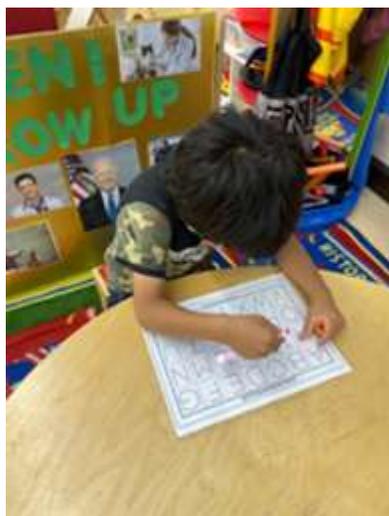

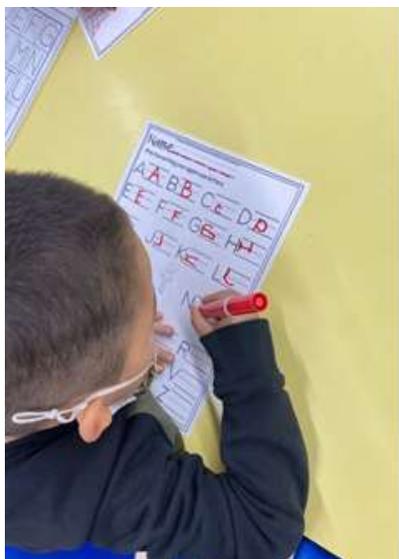

Fall is officially here! Now it's time to get our cozy sweaters out and get ready for winter! In October, we've made a lot of progress with our children like adapting to a new routine, creating friendships, and developing our fine motor skills! I am so proud of our butterflies and how much they have learned this month! Also, I want to take a moment to thank you for working with our kiddos at home. Teamwork and practice makes perfection! For November, we are working on alphabet recognition, social-emotional skills, and of course, celebrating the season of being thankful! Families, stay tuned on the ProCare App for our thanksgiving project!

Thank you in advance for your collaboration!

If you have any questions, please feel free to call us at 773-622-9433 EXT 23

TOUCANS (2 Year Olds)

Hello families

Our class had a wonderful month in October! We explored and discovered some awesome autumn colors like brown, yellow, and orange. During circle time, the children sang some new songs like "look who came to school today," "pinpon es un muñeco," "que dia es hoy," "days of the week" and many other songs. In October, the children were introduced to the themes of pumpkins, firefighters, apples and trees. Along with these themes, the children had some great projects like paper plate pumpkins. We had a great month, and we can't wait to see what next month has in store.

For the month of November, the children will be learning some new and exciting themes. We will learn about healthy eating, Native Americans, Turkeys and Thanksgiving. Along with these themes, we will have fun crafts like color my plate, the children will color various paper food items and glue them on a paper plate.

Thank You,
Ms. Fatima & Ms. Nataly
