KOALAS (5 Year Olds)

Happy School Year Families!

Our class had a great month of learning! We studied ourselves, families and our senses. Along with these themes, the children had some fun activities like drawing what we hear and comparing our likes and dislikes as a group. The children also reviewed the letters A-L by exploring the sounds of the letters, how to write the letters and what words are associated with those letters. We had a great first start to our school year and we can't wait to see what next month brings!

The month of October may be a crazy one! I wanted to give you all a heads up that I might be leaving for maternity leave early. My original last day was Friday, October 15th. However, our little one has been giving us a run around these days. Either way, I have a tentative leave date of Friday October 8, 2021 and I will be playing it by ear day by day until the day I deliver. I will be either in the center or teaching via zoom. With this in mind, the children will be learning about fire safety, trees, apples and pumpkins. With these themes, there will be some exciting activities like a leaf pencil rub and counting seeds in a pumpkin. They will also continue their lessons on letters by reviewing the letters M-Z.

Also, I would like to celebrate our annual Fall Fest Party before I leave. The party will be on Friday October 8th, 2021 or Friday October 15, 2021. Please be on the lookout for a flyer real soon.

THE BEARS (4-5 Year Olds)

Happy Fall!

To recap the month of September, we began our school year with our All About Me theme by discussing our favorite colors, our homes, ourselves, drawing pictures of what we like to do, our families and what we want to be when we grew up.

We also discussed our senses by observing them through touch, hearing and smell. We felt items with our eyes closed, smelled items in small bottles, and discovered different sounds using our instruments. We also discussed fall.

For the month of October, we will discuss fire safety, trees, apples and pumpkins and enjoy a fall fest. We will continue our fall projects using fall art materials and to enjoy gross motor play outdoors. It should be a great month!

THE EXPLORERS (3-4 Year Olds)

To recap the month of September, we discussed and learned about ourselves and our families with our "All about me" and "All about our families." lesson plan. We talked about who lives in our homes, who we are and what city we live in. The children also practiced writing their letters during small group time. For the month of October, we will begin to work on fire safety, trees, pumpkins, apples, and fall fest. We will also review our letters and our numbers from 1-5. It will be a fun and exciting month.

BUTTERFLIES (3 Year Olds)

Hello families

I hope everyone had a fun and safe summer!

We practiced our letter recognition during September by spelling out our name and using a pencil to write our names. We welcomed new friends in our butterfly class, our children are happy to meet them and help them reach new milestones! The children did a wonderful job with their All About Me posters.

For October, we will be exploring the fall theme! From the colors of the leaves to pumpkins! Please keep in touch about all the exciting, excellent activities we are planning for October!

Thank you in advance for your collaboration!

TOUCANS (2 Year Olds)

Hello families!

Our class had a wonderful month!

We learned so many things like colors, shapes, and animals.

We also had fun activities and crafts. For example, the children completed an ice cream activity where they had to put the numbers 1-3 in the correct order with the help of a teacher.

We had good weather, which allowed us to appreciate our time outdoors. We had a great month of learning, and we can't wait to see what the next month brings.

For the month of October, we have some wonderful themes in store!

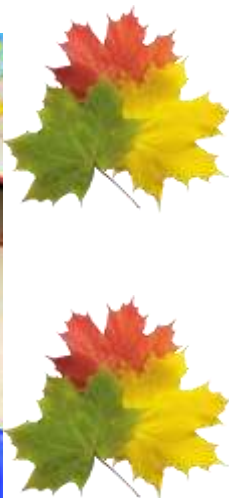

The children will continue their lessons on colors, shapes, numbers, and names. The children will also learn about, trees, pumpkins and celebrate Fall! There will be some great crafts that will go along with these themes like painting a pumpkin.

Thank You,

Ms. Fatima and Ms. Yaritza
