Where Your Child Always Comes First

SHARKS (5 Year Olds)

Dear parents, we had wonderful time learning about Turkey, Native Americans, Pilgrims and Thanksgiving. The children had fun making native-American headbands, turkeys & singing songs about Native Americans etc. This is that time of the year again when we eagerly wait for family gatherings, presents and lots of food.... mmmmm can't wait. This month we will learn about Big and little, different Holidays and New Year. Children love to create their own art projects and we will continue doing that. We have started playing a new game with the children recently- which is: someone will give a clue describing something that begins with the letter we are learning and others will have to guess what it is. Children are having a blast playing this new game. Parents can try playing this game with their child/children at home to help develop children's thinking skill and problem solving skill. Have a wonderful Holiday!

BUTTERFLIES (4 Year Olds)

Greetings Parents! Welcome to the month of December!!! We had an awesome time learning and exploring in the month of November.

We talked about fall, weather, pumpkin and thanksgiving.

Unfortunately, we need to end our study to begin our new clothes study. Since winter is coming, it's the perfect time to study about clothes. What types of clothes do we need in the winter? What are clothes made of? Patterns and so much more!!! We will also talk to our students about the holidays this month. Please stay in tune with this month's activities. Thank you to all the parents that came in for parent teacher conferences. Remember you can always reach one of us at the school at 773-622-9433 EXT 14.

REMINDER: Don't forget to send in blankets every Monday!

We are closed @1pm on Friday December 21st and Monday & Tuesday December 24th and 25th and Monday 31st and Tuesday January 1st.

Where Your Child
Always Comes First

CHIPMUNKS (3 Year Olds)

Well Hello December! We will continue to focus on numbers, shapes, colors and letters throughout the month of December. The chipmunks will have many fun art projects ahead of them which will include sparkling snowflakes, glittery slime and decorating ornaments. This month we will talk about the season of winter, clothing for different seasons, exploring what animals do in the winter, patterns and New Year's Eve!

REMINDER: Don't forget to send in blankets every Monday!

We are closed @1pm on Friday December 21st and Monday & Tuesday December 24th and 25th and Monday 31st and Tuesday January 1st.

BUMBLEBEES (2 Year Olds)

Welcome to December 2018, the 12th month in the year, WOW! TIS THE SEASON TO BE JOLLY! Before we discuss December, let's flashback on November; children had lots of fun learning about fruits, veggies, eating healthy, being thankful, Harvest and Day and Night. Children were able to dig into a pumpkin, taste different kinds of fruits and make their own veggie salad. Thanks to all the parents who cooperated and made it happen! Along with that, we did lots of graphing and sorting, in which children loved, therefore, we will continue with graphing and sorting. For the month of December, we will be discussing the following; Winter, Winter Fun, Christmas/Holiday fun and Winter clothes. Children will be discussing all the fun things we can basically experience during the month of December and During the winter Season, since the first day of Winter is December 21, 2018.
