Here's What We've Been Up To

Hello all and happy JUNE , We want to take this time and congratulate our students on their upcoming graduation on Friday June 14th @ 7pm at the LEVY CENTER. If your child is graduating they have to be picked up by 3pm on Friday June 14th. Your child should have been assigned a leave date as we can not keep them until the FALL.

Have you received your child's leave date if your leaving in the FALL ? If not, please see your child's teacher to avoid a \$300 cancellation fee. Graduates can not stay until SEPTEMBER/FALL.

Make sure credit cards are up to date and to make payments on 1st & 15th of every month

We will be closing one day in JULY in order to get ready for NAEYC. We will try to give you as much notice as possible

SHARKS (5 Year Olds)

Welcome June! We had so much fun having discussions on Insects, Butterflies, how important mother/family is in our lives & what we can do for them. We hope the mothers loved their 'Mother's Day' card. In June, we will spend most of our time practicing for our Graduation☺ we are also looking forward to learning about Frogs, Farm animals and Independence Day. We are learning about rhyming words. For math we will practice counting by 10s up to 100, will practice early additions; review all the shapes we have learned before. We will continue improving our early reading skills with guessing game, clue game, sounding out the letters, reading books etc.

Summer is knocking on our door; we are enjoying the beautiful weather by spending as much time as possible outdoors! Please check to be sure your child has an appropriate change of clothing in their cubby.

Graduation Day is June 14th. Friday.

BUTTERFLIES (4 Year Olds)

Hello Parents and Happy June. We want to start off by saying thanks for a great 1st year of PFA (Pre school for all). We're almost at the end of the road for half of our class. Graduation is Friday June 14th at the LEVY CENTER for our Kindergarteners to be. All children need to be picked up by 3pm so that we can prepare for the big day. All children graduating or not are welcomed to join us for the festivities at the LEVY CENTER at 7pm sharp.

PLEASE -PLEASE-PLEASE do not have your child in their cap n gown. We will put them on at the LEVY CENTER after our performance .

Mrs. Maritza has been assigning leave dates to all graduates/children not returning in the fall. If you have not already let the center know you are leaving after graduation see Mrs. Maritza to avoid \$300 cancellation fee.

Thanks from the Butterflies, Mrs. Maritza, Ms. Jasmin & Mr. Robert

CHIPMUNKS (3 Year Olds)

Hello parents! During the month of May we had so much fun learning about gardening and learning about the life cycle of a flower. Children were hands on learning step by step to plant their own grass seeds and lima beans. Children learn how to be responsible in taking care of their own plant by making sure they are watered and placed by a sunny area for proper growth. In the month of June we will also learn the life cycles of butterflies, lady bugs and farm animals. In our science area we will create a habitat for our ladybugs and butterflies. Children will have an opportunity to see up close the metamorphosis of these beautiful insects growing from larvae to adult insects. Children will be encouraged to record daily observations by drawing a picture of what changes they see. Stop by and encourage your child to observe with you each morning at drop off. I am sure your child will be delighted to tell you what they have learned..

Note: Teachers will be giving homework each Friday that will be due each the following Monday so please do not lose the folders. Thank you!

BUMBLEBEES (2 Year Olds)

Welcome to the Month of June Everyone! The month of May was awesome, children had lots of fun talking about shapes, colors and finally starting our unit on plants and flowers. Children were supposed to discuss pets, but they weren't interested and so we decided to go straight to plants. When I introduced them to plants and flowers, they loved it automatically and were very attentive. They're so interested I will extend my plant and flower unit by implementing it with other themes, like caterpillars and butterflies. Therefore, children will be discussing how plants and flowers are important to caterpillars, butterflies and other bugs and insects and how those same bugs and insects help plants and flowers. Along with all of that, children will also learn all about Summer since the first day of Summer is June 21, 2019. If you have any questions, always feel free to contact me. ENJOY THE MONTH OF JUNE AND GET READY TO WELCOME SUMMER!

PS. I WANT TO THANK ALL THE PARENTS WHO TOOK THEIR TIME TO BRING IN A PLANT OR FLOWER OR A FLOWER POT. ALL THE PLANTS AND FLOWERS THAT HAVE BEEN BROUGHT IS WHAT HELPED KEEP THE CHILDREN INTERESTED!
