Hello Parents! It is August already and the Chipmunks are super excited for our first Field Trip to Lincoln Park Zoo!! To start off on the right track the first week we will be learning about the Zoo and the different animals that live in the Zoo. This month we will be talking about the different habitats animals live in.

NOTE: Field trip to Lincoln Park Zoo will be on Friday August 3rd, parents please bring your own snack/lunch and comfortable shoes. The school bus will be picking us by 9:15 am please be on time and we will be back at our center around 3:00 pm.

BUMBLEBEES (2 Year Olds)

Hello Everyone! Welcome to the month of August! During the month of July, children had lots of fun talking about summer fun activities, the beach, picnic, bubbles and Zoo Animals. Since we are having a fieldtrip on August 3rd to Lincoln Park Zoo, I switched up my lesson plan a little, so children will be discussing worms in the month of August. When we talk about worms, children will have the worms to explore with, so please don't hesitate to visit our worms when we have them in the classroom.

Along with Worms, children will also be discussing Sports, Ants and SCHOOL! When talking about School, children will begin a countdown to the 100th day of school. Once we reach the 100TH Day of school, children will have a celebration party. Since there's a lot of new children in our classroom, we will be working a lot on routine and classroom rules. Most children must know routine and how to follow rules to accomplish what we have to accomplish on a daily basis in our classroom.
