SHARKS (5 Year Olds)

Dear parents, we have enjoyed summer at our best; went to the nearest park, took nature walks, enjoyed learning about each other, each other's interests, washing hands and our family. Fall is here, the month of

October will be filled with lots of fall activities; coloring, collecting & painting the fall leaves. Learning about pumpkins... bats and spiders will be spooky and fun. We will dress-up for Dress-up party on October 31st.

We will focus on letters P, B and S, numbers and shapes. Learning to recognize and write our own names is important in pre-K, so please help your child practice writing their name at home. The weather is changing and we go outside twice a day to improve our gross motor skill, so please have your child bring a light jacket to school. Thank you so much! Happy

October ☺

BUTTERFLIES (4 Year Olds)

Dear parents, we want to thank you all for staying on top of our procedures in the PFA class. We are having a lot of fun and learning from one another. Last month our theme was, "All about me", we also completed graphs that are posted throughout the classroom. We will finish up our unit and dive into the 5 senses. Our last graph with the children is whether we like popcorn or not. Please if you have any questions or time that you want to donate....

We're always open for business. Have you seen our observations on Life Cubby ? If not, please come and talk to one of us and we will be more than happy to show you

CHIPMUNKS (3 Year Olds)

Hello! Hope we all enjoyed our Labor Day Weekend. We are more than excited for the official beginning of the school year. September is always an exciting time, children are moving to new classrooms and teachers are planning fun activities for the next couple of weeks. This month we will get adjusted on getting to know each other names and our classroom rules. We will continue to spend time outdoors so remember to bring a light sweater for the days that get chilly.

BUMBLEBEES (2 Year Olds)

Welcome to the month of October Families! I want to wish everyone an AMAZING FALL SEASON, my most favorite season of all. During the month of September, children had lots of fun learning about their five senses, their likes and dislikes, their body, their feelings and emotions, their families were also introduced to FALL. Now that we are done with those topics and we are in the season of fall. Children will learn about the season and the types of things and events that happen during this amazing season. During the month of October children will be discussing trees, fire safety, School bus safety, October/fall fun and Pumpkins! On the 31st of October, children will be having a harvest party, children will have fun painting pumpkins and decorating them and dressing up on that day. Children are more than welcome to bring sugar free treats, stickers, pencils, stamps and so forth for them to pass out to their friends as long as it is enough for 20 children. I will be creating a list for you all to bring certain items for their small harvest party. If you have any question, please don't hesitate to reach out to one of us. THANK YOU IN ADVANCE AND LET THE FUN BEGIN!!!
