Where Your Child  
Always Comes First

## Here's What We've Been Up To

Hello all and happy **August** , It's been a different time in our world but we're holding it together at TTDC. We want to thank all of our parents who have been patient waiting to drop off/pick up their child(ren) daily practicing social distancing while wearing face coverings. We also want to remind parents that are in attendance at the center and at home that we are still using GOOGLE Classrooms. Make sure that your emails are up to date so that we can add you to our classroom lists. We also want to say THANK YOU to all of our staff for working so hard keeping TTDC a safe and clean environment. **Make sure credit cards are up to date and to make payments on 1<sup>st</sup> & 15<sup>th</sup> of every month**

**TTDC is a SUGAR FREE ZONE !!! Look out for info for all PARTIES**

## KOALAS (5 Year Olds)

Happy August Families!

So far, we have had a successful month of reopening our classroom. At first, it was a little tricky to understand the rules and regulations for COVID-19 but we soon got the hang of things! We try to keep our masks on, we constantly wash our hands and when we are done playing with a toy, we set it aside for washing. We also practiced addition and subtraction problems with single digit answers.

For the month of August, we will be studying environments, animals and climates.

We will still be working on our sight words and math problems.

Thank you and we are looking forward to another successful month of learning and staying healthy!

## THE BEARS (4-5 Year Olds)

Happy August! We hope everyone is having a great summer! Mrs. Pas and Ms. Taga combined classes for the month of JULY and it was awesome. We wear our facemasks, practice social distancing and are regularly sanitizing toys and the classroom. We are up in the main front room and the children love it. For the month of July, we discussed the topic of gardening. We enjoyed reading gardening books and doing gardening projects. All children had the opportunity to develop their language, creativity and cognitive skills. The class enjoyed the weather while playing outdoors and playing new indoor games. For the month of August, we will be discussing the topic of tall and short. It should be a great month!

## THE EXPLORERS (3-4 Year Olds)

Hello families, we made it through re opening month one of the pandemic at TTDC Too and we couldn't have done it without your help. Thank you very much and here is what we have been up to in the month of July. The children practiced their motor skills by writing letters, sight words and using scissors. This month we also reviewed the colors red and green & the children also practiced how to write and spell the colors. We also focused on recognizing numbers and making fun crafts such as making a watermelon, frogs, and caterpillars. In the month of August, we will continue with our sight words, our numbers and we will be working on the colors blue and pink. Thank you to all the families that are cooperating in this pandemic. 2020 has been different but we are all doing our best to practice social distancing to maintain everyone's safety. ## TOUCANS (2 Year Olds)

Hello families and welcome back. We missed all of our Toucan friends but we are all good and ready for August. In the month of August the children will be learning how to be independent. They will be working on using utensils and drinking from an open cup during their breakfast, lunch & snack time. They will be doing Arts & crafts and reading books and exploring zoo animals, ocean animals, and dinosaurs. We have birthday celebrations this month for our toucan's friends. Please feel free to reach out to one of us if you have any questions, comments or concerns at 773-622-9433 EXT 22.
