We used a lot of sensory activities which included, Sparkly white & our sand/sensory table, shaving cream, cotton balls as well as REAL snow. We continued with our daily routine learning the ABC'S, Numbers, Color and Shapes. February is all about love and Friendship. The Explorers will learn about emotions and Valentine's Day. We will also continue writing our first and last name, learning the spelling of our name, and recognizing and remembering different letters. Finally, parents please check cubbies to see if you child needs clothes and do not forget to use the plastic bags for Coats and Blankets. If you don't have one please let me know and I will be happy to replace it for you. To finish I would like to thank my parents for being so awesome 😊😊😊😊😊😊😊😊😊😊

Roses are red, violets are blue, sugar is sweet and so are you! In the month of January, the children learned their five senses. We had lots of fun activities, which included games that involve a mystery bag; they had to guess which of the bags was for each sense. For the month of February, the children will be learning about their community and careers. We will be doing fun arts and craft activities such as creating their own fire truck, police car and a garbage truck. On February 13th the Toucans will be celebrating love and friendship. We will also be celebrating a Toucan friend's birthday by having a pizza party.
