## KOALAS (5 Year Olds)

Our students had such a great month of learning! We had a wonderful time celebrating all the different African American women and men throughout history who made an impact in society. We also had a great Valentine's Day party! Thanks to all that participated ☺☺☺ The month of March is going to be the TIME of our lives! Our students will be learning how to tell time. We will also be celebrating Dr. Seuss's Birthday with a fun filled week of activities and crafts and treats! Parents: Graduation Practice will be starting soon! Please let me know if you would like your child to graduate this year as we have to order cap and gowns for the extravaganza. Graduation will be in the month of June 2020

## THE BEARS (4-5 Year Olds)

Happy Spring! To recap the month of February, we reviewed the concepts of numbers, ocean animals and planets. We also celebrated Valentine's Day by making cards for our loved ones and having a Valentine's Day party. We also enjoyed making our own ocean and planets. For the month of March, we will be talking about quilts and making a classroom quilt, shapes and transportation and celebrating spring by planting spring flowers. Reminder TTDC is closed on Friday March 6<sup>th</sup> for an in-service and you will have to find alternate childcare for the day.

## THE EXPLORERS (3-4 Year Olds)

February was a great month for the explorers, they were able to learn and understand the meaning of friendship. We celebrated Valentine's day and the kids had the opportunity to share treats with their friends. The children continued learning how to recognize and write letters of the alphabet. We also, reviewed their bilingual lessons in Spanish, such as colors, numbers & days of the week using different types of learning. Going into March, we will talk about St. Patrick's Day & Easter. Lots of activities and projects are coming up so stay tuned. Parents, please utilize your child's clear bags for their coats and blankets or home toys. We also recommend that you put your child's name or initials on their belongings to prevent items from being misplaced. Finally I would like to thank my parents for being so awesome.
