We were able to meet our new friends in the classroom, we reviewed our letters, numbers and shapes and we learned about the rules of our new Koalas classroom. The month of October is going to be full of excitement! We will be studying leaves, fall, Pumpkins and El Dia De Los Muertos. We will also be holding 2 parties! Our first party on October 3, 2019 will be a Pumpkin Party. Our second party will be on October 31, 2019 and it will be our Fall Fiesta which will be a celebration of EL Dia De Los Muertos and Fall Fest. (Details soon to follow). If you have any questions, comments or concerns you can reach me at 773 622 9433 ext 27.

THE BEARS (4-5 Year Olds)

Happy Halloween everyone! I can't believe Fall is already upon us! To recap the month of September we welcomed Sebastian and Jeremiah into class. We also began our new school year with talking about All About Me and reviewed the concepts of Animals, Bugs and Colors and celebrated Mexican Independence day by making Mexican hats and talking about our different cultures. We also celebrated fall by discussing what happens in the fall and created art projects using different natural elements. For the month of October, we will be discussing dinosaurs and emotions and celebrating with a fall festival which will include a party and a costume parade. We will also continue our sensory play using leaves and acorns. It should be a great month!

THE EXPLORERS (3-4 Year Olds)

Bye bye summer and welcome Fall. To recap the month of September The Explorers discussed and learned about ourselves and our family. This month has been "All about me" We talked about that everybody is different, and everybody likes different things such as fruits, colors, sports etc. We continued with our daily focusing learning on our letters, numbers, colors and shapes as well. For the month of October, we will begin to work on Fall Harvest. We will discuss why the leaves change colors, why it's called fall, what holidays are in the season of fall, and the things we do in the fall. We will continue learning the alphabets, numbers from 1-10 and continue to work on recognition. We will also begin a safety project and learn some safety tips. It will be a fun & interesting month. If you have any question or concerns, feel free to contact me at 773-9229433 Ext. 25 or email me at mss.cintya@gmail.com.

Happy October, everyone! To recap the month of September, we reviewed letters, numbers and shapes. We also worked on our names and last names.
