Where Your Child
Always Comes First

SHARKS (5 Year Olds)

January was so much fun! We had a great time learning about the science behind winter and snow. We also learned about Martin Luther King Jr. and about his dream. Children promised to change the world for better and were very enthusiastic to share their dreams for the future world.

In February we will learn about dental health and Dr. Seuss. We will continue focusing on writing letters/numbers and sounding out the letters. Children are enjoying when the teacher spells out their names while taking attendance.

If the weather permits (hopefully) we will try to go out to play; parents, please send your child with warm jacket, snow pants, gloves, hat and boots. Our children don't want to miss the snow fun. 😊

BUTTERFLIES (4 Year Olds)

Hello all, we want to start off by welcoming the newest addition to the family Ms. Julissa. Ms. Jasmin is the new Bumblebee teacher downstairs with Ms. Vanessa 😊😊😊

Welcome to the month of friendship... This month will be very fun and enjoyable to our students. We will encourage our students to learn how to value our friends. We will discuss what friends are? What we like about our friends? What can you do with your friends? We will also be hosting a friendship party on Friday February the 14th. Please see teachers for more information. TTDC is a SUGAR FREE ZONE !!!!!

Throughout the month we will also be engaging in numbers, graphing, writing and word recognition. Also, we will be honoring black history month. We will be learning about Garrett Morgan, Barack Obama & Jackie Robinson. If you have any questions please feel free to see Mrs. Maritza, Ms. Julissa or Mr. Robert.

Where Your Child
Always Comes First

CHIPMUNKS (3 Year Olds)

We had so much fun last month with our Clothes study, we learned so many things about clothes and even had the chance to sort silly socks, fold clothes and wash baby clothes by hand. This is a new month and the start of a new topic. The month of February is the perfect time to talk about the importance of friendship and being kind to one another. We will incorporate that all month long as we begin our Box Study!!

We will be celebrating Valentine's Day in our classroom. Our Valentines party will be held on Friday the 14th of February. We will pass out our friendship cards to each other and have sweetheart's activities. Children are encouraged to bring valentines cards to pass out to their friends and as for treats you may bring sugar free fruit snacks or sugar free organic candy or little goodies like pencils, crayons, or play doh as little gifts. (not mandatory).

We are asking for the children to wear red or white for a classroom picture. Please and thank you!

BUMBLEBEES (2 Year Olds)

My name is Ms. Jasmin & I am very excited to be working with your children along with Ms. Vanessa. I have been here at Toddler Town for almost 2 years and I am taking over for Ms. Norma as she has moved on with an opportunity that betters her and her family. We wish Ms. Norma the best but I assure you that you are in good hands with Ms. Vanessa and myself. During the month of February, we will be learning about the significance of kindness and friendship. We will talk about hearts and the colors pink, red, and yellow (Valentine's Day colors).. It

is time for checkpoints as of 2/14/2020 and I will try to answer as many questions as possible but please keep in mind that I have only been in the class for less than a week. Please feel free to contact us if you have any questions, comments or concerns at 847-475-1467
