## SHARKS (5 Year Olds)

Happy NEW YEAR dear parents!! Hope you all had a wonderful year!  
Wishing you more luck in the upcoming year as well!  
December was so much fun! Children had a great time playing in the snow, building a snowman and making hand and foot prints in the snow. We loved celebrating all the winter holidays with each other. Our holiday/new year's party with healthy snacks was another success!  
As the New Year starts we have a lots of exciting themes to explore. The first week of January we will explore the season winter, Martin Luther king Jr. and Polar bears. We will continue focusing on sounds of the letters and writing our names.  
Happy January 😊

## BUMBLEBEES (2 Year Olds)

Happy New Year and Welcome to January 2019! The children had lots of fun during December learning about the changes in the weather, what they see outside and even what they don't see (like leaves on the trees). Children spoke about all the fun things we can do during the cold season, how we can keep warm, welcomed winter, talked about winter clothes, sang lots of Holiday/Winter songs and celebrated the holidays! Children have been doing so much better at following routine and listening to their teachers, and that's amazing! Hopefully soon we can do much more than what we are currently doing. For the month of January, children will be talking about celebration, hibernation, migration and adaptation, Arctic Animals, all about colors and all about shapes! Along with those topics, we will be working with children getting along and expressing themselves, we will be implementing different types of social emotional activities that will help build these skills. If you all want any tips, please don't hesitate on reaching out!
