Where Your Child
Always Comes First

SHARKS (5 Year Olds)

Happy NEW YEAR dear parents!! Hope you all had a wonderful year! Wishing you continuous health and happiness this year too! December was so much fun! We loved celebrating all the winter holidays with each other. Our holiday/new year's party with healthy snacks was another success! As the New Year starts, we have a lot of exciting themes to explore. In January we will explore the season winter, Martin Luther King Jr. and Hibernation. We will continue focusing on sounds of the letters and writing names. If you have any questions please feel free to contact us at 847-475-1467 EXT 15. REMINDER - we are closed on Friday March 6th for an in-service day.

BUTTERFLIES (4 Year Olds)

Welcome parents to 2020

We are in the beginning of a new year!!! In the month of January, we will touch our 5 senses, math, science, language arts and print literacy through the following topics:

SNOW & ICE
MITTENS & GLOVES
HIBERNATION
POLAR ANIMALS

We would also like to acknowledge our families that participated in our Gingerbread Parent to Child workshop and to our parents that joined us for our 1st Christmas Concert! It was a success with minor inconveniences! We really appreciate your involvement. We will be planning another parent event soon! Please do not forget to donate to our BLANKET DRIVE! Thank you and HAPPY NEW YEAR!

CHIPMUNKS (3 Year Olds)

2020 here we come! We are so excited for this brand-new year ahead of us. We hope this year will bring us fun, good health, followed by a great year of learning.

We will continue our learning incorporating our monthly studies with the letter, number, shape and color of the week. In the month of January, we will start with our Clothes Study. What do we know about clothes? What do we want to find out?

What are the features of clothes? How do we take care of our clothes? How do people make clothes? Where do we get our clothes? What special clothes do people wear for work? We will get back on track on giving homework on Friday that is due on Monday. See you soon!

REMINDERS: Winter is finally here, so please bring your child with proper outdoor gear, if the weather permits, we will still go outside. So please dress warm.

BUMBLEBEES (2 Year Olds)

Happy New Year and Welcome to January 2020! Children had lots of fun during December learning about the changes in the weather, what they see outside and even what they don't see (like leaves on the trees). Children spoke about all the fun things we can do during the cold season, how we can keep warm, welcomed winter, talked about winter clothes, sang lots of Holiday/Winter songs and celebrated the holidays! Children have been doing so much better at following routine and listening to their teachers, and that's amazing! Hopefully soon we can do much more than what we are currently doing. For the month of January, children will be talking about celebration, hibernation, migration and adaptation and Arctic Animals! Along with those topics, we will be working with children getting along and expressing themselves, we will be implementing different types of social emotional activities that will help build these skills. If you all want any tips, please don't hesitate on reaching out!

Where Your Child
Always Comes First
