## ProCare Engagement App

- **We want to thank everyone for staying engaged!**
- If you have not done so already, please be sure to sign up for the Parent Engagement App. Teachers are working hard daily to be able to keep all families posted and involved by share pictures, ideas, updates and/or highlights.

## Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

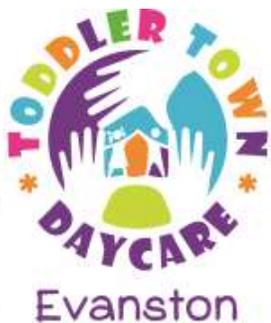

## **REMINDERS!**

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

**Since we are now in summer, Toddler Town Teachers will be planning lots of fun outdoor activities with the students. Please dress your child according to the weather and make sure to apply sunblock if needed, since we are not allowed to apply it ourselves.**

**Also, a friendly reminder that students MUST wear closed toe shoes, no sandals or flip flops, safety purposes.**

## SHARKS (5 Year Olds)

Hello Parents,

Welcome to the month of July! Learning about the butterflies has been so much fun. The students were so engaged in watching the caterpillars grow into their cycle and turn into butterflies. The month of June was full of goodbyes as graduates and other students leave us, BUT also Ms. Jaya began a new journey. We want to wish Ms. Jaya good luck as well as our preschool class of 2021!

In this month, we will celebrate our country's Independence Day. Please, encourage your child to wear red, white and blue on July 2nd to help us celebrate 4th of July! Students will also discuss summer activities, fun and activities. Students will also learn about classroom rules and routine, since they have been needing a lot more reminders. We will also be welcoming back Mrs. Maritza. She has decided to join us in the Sharks room.

**Friendly reminder, NO SCHOOL ON MONDAY, JULY 5th.**

If you have any questions or concerns, please do not hesitate it reaching out to us

## BUTTERFLIES (4 Year Olds)

We welcome July with open arms! Last month we had fun exploring with our Plant study. We learned so much from what a plant needs to grow properly, how they grow from seed to plant, what foods we get from plants. We observed our very own "Botany Experimental Green House" and planted our lima bean seeds into little baggies to observe day by day their growth and recorded observations in our chart. Each child even personalized their own pots to plant flowers.

During the month of July, we will be talking about Summer! Especially our love for the beach. We will learn about what makes a beach, what animals live on the beach and under the sea. We will discuss how do fish breath? Where do they sleep? And how the ocean has different zones for different ocean creatures. We will also be learning about how they communicate to each other. Along with learning about the different animals in the ocean the students will be able to nurture the new class pet. We will be adding a fish into our classroom setting. Each child will have a better understanding of how the animals live underneath the water. We will continue to have our focus each week with a new letter, color, number, and shape.

If you all have any questions, please don't hesitate on emailing us either at [Carina@toddlertownevanston.com](mailto:Carina@toddlertownevanston.com) or [angelica@toddlertownevanston.com](mailto:angelica@toddlertownevanston.com) or [Robert@toddlertownchicago.com](mailto:Robert@toddlertownchicago.com)

## CHIPMUNKS (3 Year Olds)

HELLO FAMILIES! IT'S OFFICIALLY SUMMER! YES! It is officially summer!

For the first week, Chipmunks will be learning and discussing about the birthday of the country we live in, USA.

Going on forward, we will continue our animal unit. We will start off with ocean animals! From tiny fishes to big sea creatures! We are also so excited about all that we are going to learn about the many oceans that cover our planet.

The week after, we will continue with reptiles! Cold-blooded animals that LOVE THE HEAT! These animals give us a perfect way to add some science into our Chipmunks' day!

Since we did start our animal unit in MAY and JUNE with our insects, butterflies, and zoo animals (which the children loved!), our third week of JULY will be the last of our animal unit.

We will be ending the last weeks of July we will start The Importance of Staying Healthy unit! A great way to encourage our children to make healthier food choices and to stay active!

This is a very exciting month for the classroom, being that it is Ms. Jasmin's favorite!

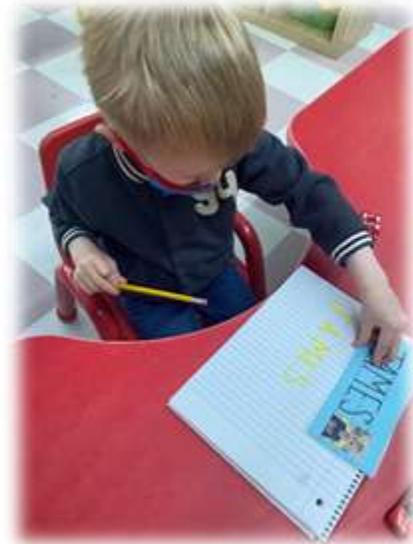

If you have any questions, please feel free to contact us at ext. 13 or via email at [jasmin@toddlertownevanston.com](mailto:jasmin@toddlertownevanston.com) or [Jaz@toddlertownevanston.com](mailto:Jaz@toddlertownevanston.com)

PS: please make sure you dress children accordingly for outdoor play ☀️.

Stay Cool,

## BUMBLEBEES (2 Year Olds)

Welcome to Summer and to the Month of July! During the month of June, we have gone through lots of amazing changes, and everyone is pretty much getting adjusted to those changes.

One of the Exciting Changes is that we have a new teacher in the classroom joining Ms. Vanessa and me. Her name is Ms. Jessica, and we are so happy to have her join our Bumblebee team and Toddler Town Family. We also have a lot of new little bodies who have joined our classroom and we have a few that we had to transfer over. New children are being welcomed into the classroom, we are allowing them to explore to learn about our classroom and slowly implementing rules and routine. This is where we use our older twos and ask them to teach the new twos certain things, it's amazing to watch them grow and learn from one another. During the month of July, children will be enjoying the SUMMER of course with summer fun filled activities!

Children will also be learning about bugs and insects, summer and summer safety, beach, picnic and bubbles. On the 26<sup>TH</sup> of July 2021, we will be having a picnic in the playground from 9am to 11:30am. I will be reaching out to certain families to help during this day to help make it fun and full of excitement for the children. I will also be putting out a list for all the families to participate in bringing in the items needed to make this day happen.

So please reach out to Ms. Norma or be on the lookout for more info! LET THE FUN BEGIN! HAPPY SUMMER!

If you have any questions or concerns, feel free to e-mail me at [Norma@toddlertownevanston.com](mailto:Norma@toddlertownevanston.com) or call us by Phone at 847-475-1467 Ext. 12 or Ext 16.

You can also Reach out to Ms. Jessica at Extension 12 or by email at [Jessica@toddlertownevanston.com](mailto:Jessica@toddlertownevanston.com)

Thank you all again,

...stay COOL, safe, and please continue practicing social distancing!
