June

2021

Here's What We'll Be Up To...

Welcome to the Month of JUNE! This month, we Celebrate Fathers, our Preschool Graduates and we will also Welcome Summer!

What an exciting month we will have!

Most of our Classroom will be discussing the life cycle of a Butterfly and will be experiencing the process live.

Since we are welcoming summer, Toddler Town Teachers will be planning lots of fun outdoor activities with the students. Please dress your child according to the weather and make sure to apply sunblock if needed, since we are not allowed to apply it ourselves.

Also, a friendly reminder that students must wear closed toe shoes, no sandals or flip flops, safety purposes.

Here are some important dates to remember:

June 1st -Stand For Children Day

June 4th -Donut Day

June 6th - World Environment Day

June 10th - National Yo-Yo Day

June 15th -Fly a Kite Day

June 18th - International Picnic Day

June 20th - FATHER'S DAY

June 21st -FIRST DAY OF SUMMER!!

June 25th-GRADUATION DAY!

Announcements

ProCare Engagement App

- **We want to thank everyone for staying engaged!**
- If you have not done so already, please be sure to sign up for the Parent Engagement App. Teachers are working hard daily to be able to keep all families posted and involved by share pictures, ideas, updates and/or highlights.

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

Covid-19 Updates!

Teachers get Covid tested Every Tuesday Morning!

Please keep your child(ren) home if they have any symptoms which include, fever, cough, diarrhea, vomiting, shortness of breath, sore throat, muscle pain, green mucous, loss of taste or smell and if you have left the USA or have travelled to a HOT ZONE you can NOT enter the school.

REMINDERS!

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

Always Comes First

SHARKS (5 Year Olds)

Welcome June! We had so much fun discussing Transportation, Insects, Butterflies, how important mother/family is in our lives & what we can do for them. I Hope the Shark's mothers loved their 'Mother's Day' card.

During the month of June, we will prepare the students to be independent, as some of our students will start Kindergarten soon. We are also looking forward to learning about Frogs, Farm animals, and Pets. We are also going to be learning about rhyming words. For math we will practice counting by 10s up to 100, practice early additions; and review all the shapes we have learned before. We will continue improving our early reading skills with guessing games, clue games, sounding out the letters, reading books and so much more.

Summer is knocking at our door; we are enjoying the beautiful weather by spending time outdoors as much as possible! Please check to be sure your child has an appropriate change of clothes for the classroom.

If you have any questions or concerns, please do not hesitate it reaching out to us

Email: (Ms. Jaya) Jaya@toddlertownevanston.com

Or

(Mr. Cesar) Cesar@toddlertownevanston.com

Or You can reach both of us at Extension 15, Thank you!

Where Your Child Always Comes First

BUTTERFLIES (4 Year Olds)

Welcome to the month of June! We are halfway in the year, and we had learned so much! Last month was so exciting with our PETS unit. We had fun learning about the different types of pets and how we can nurture them and include them in our families. We learned the difference between Pet Animals and Wild Animals. We discovered the animals that belong in water, land, and air. We did some cool arts and crafts and enjoyed our dramatic play Pet Store!

I am super excited to transition to our new topic- Plants! Perfect topic for Summer! Students will explore all about Plants! What are plants? Why do we need plants? We will learn about the Life Cycle of a Plant and the plants structure (body parts). Students will be hands on planting their seeds, and as a class we will observe and record our plant discoveries daily. Students will also nurture and care for our “Botany Experimental Green House” (I will later send a picture of how this experimental kit looks like) Of course we will have theme related vocabulary words and our weekly focus each week- Number, Letter, Shape, and Color.

Reminder: Dress accordingly to weather and closed toe shoes please! No sandals or flip flops for safety purposes!

If you all have any questions, please don't hesitate on emailing us either at Carina@toddlertownevanston.com or angelica@toddlertownevanston.com or Robert@toddlertownchicago.com

You can also reach us by phone at (847) 475-1467 Ext.14

Thank you!

Where Your Child
Always Comes First

CHIPMUNKS (3 Year Olds)

Hello families!

Woah! Are we halfway through the year? The Chipmunks are so excited to enter the new month of June! We will be learning about Summer all month long.

For the first week, we will focus on summer clothing:

What do we wear when it is SOOO hot outside?

For our second week, we will talk about all the amazing and cooling foods, snacks, and drinks we have during the season.

For our third week, children will discuss the fun activities we get to enjoy outdoors!

And finally, for our last week of June, our classroom will learn about all the animals that come out during the summer!

We are also very thrilled to continue our butterfly unit this month and end with a live butterfly! Children will get to see caterpillars go through all its life stages! Time really does fly by when Toddler Town makes learning fun!

Summer also means a LOT more outdoor play! So please make sure children are dressed weather appropriate.

Please feel free to have your child bring their own water bottle labeled with their name.

If you have any questions, please feel free to contact me at ext. 13 or via email at

jasmin@toddlertownevanston.com

PS: please make sure you dress children accordingly for outdoor play ☀️.

Stay safe,
Ms. Jasmin.

Always Comes First

BUMBLEBEES (2 Year Olds)

Welcome to the Month of June Everyone! The month of May was awesome, children had lots of fun talking about shapes, colors and finally starting our unit on plants and flowers. Children were supposed to discuss pets, but they weren't interested and so we decided to go straight to plants. When I introduced them to plants and flowers, they loved it automatically and were very attentive. They're so interested, and I will extend my plant and flower unit by implementing it with other themes, like caterpillars and butterflies.

Therefore, children will be discussing how plants and flowers are important to caterpillars, butterflies and other bugs and insects and how those same bugs and insects help plants and flowers. Along with all of that, children will also learn all about Summer since the first day of Summer is June 20, 2021.

I do want to ask all my Bumblebee parents to bring in an Indoor Plant and one item that relates to gardening. Students will be having lots of fun observing plants grow and they will help the teachers take care of these plants. Gardening items include seeds, pots, and tools like gardening gloves for kids and digging tools.

If you have any questions, always feel free to contact me through the ProCare engagement app or through email at Norma@toddlertownevanston.com or by phone at 847-475-1467 Ext 16. ENJOY THE MONTH OF JUNE AND GET READY TO WELCOME SUMMER!

Ps: Since the weather is getting nicer, I want to ask parents to please swap out children's clothing from the classroom bin, when you bring the new clothes, we will send out the other clothes during pick up. Thank you,

If you have any questions or concerns, feel free to e-mail me at Norma@toddlertownevanston.com or call us by Phone at 847-475-1467 Ext. 12 or Ext 16.

Thank you all again,

...stay COOL, safe, and please continue practicing social distancing!
