2021

Here's What We'll Be Up To...

Welcome to the Month of May 2021 Everyone! Wow! Time is definitely flying! Finally, we will be able to enjoy the nice weather, in the outdoor with our children. Being home is no Fun.

The month of May is always fun. Students are learning about nature, changes in the environment and about life. Most of our students will be learning about how plants grow, and about the life cycle of a butterfly. Not only that, but children will be learning about pets, and birds and transportation, and about many more bugs and insects, all depending on the classroom that they're in. These are all related to the changes they will be seeing along with the change of weather. Children will also somewhat learn about the Mexican culture and why they celebrate Cinco de Mayo.

Since students will be outside more often, please be sure to dress your child according to the weather.

Here are some important dates to remember:

May 3rd-7th -Teacher Appreciation Week

May 4th -National Teacher Day

May 5th -Cinco de Mayo Celebration

May 9th Mothers Day

May 12th International Nurse Day

May 13th Tulip Day

May 31st Memorial Day (School is closed)

Announcements

ProCare Engagement App

- **We want to thank everyone for staying engaged!**
- If you have not done so already, please be sure to sign up for the Parent Engagement App. Teachers are working hard daily to be able to keep all families posted and involved by share pictures, ideas, updates and/or highlights.

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

Covid-19 Updates!

Teachers get Covid tested Every Tuesday Morning!

Please keep your child(ren) home if they have any symptoms which include, fever, cough, diarrhea, vomiting, shortness of breath, sore throat, muscle pain, green mucous, loss of taste or smell and if you have left the USA or have travelled to a HOT ZONE you can NOT enter the school.

REMINDERS!

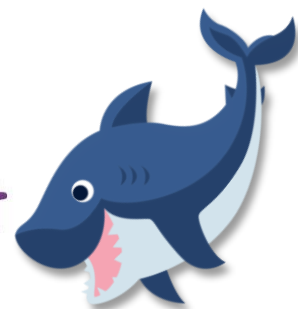

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the y7 questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

Where Your Child Always Comes First

SHARKS (5 Year Olds)

We can already feel the warmth of the sun, see the bugs out and oh the smell of Spring, just love it! It feels great to come out of Hibernation! We have learned so much about Spring weather, 'Earth/recycling' (made tons of art project out of waste), 'NAEYC's week of the young child' in April was a lot of fun!

In May we are looking forward to learning about Mother/Family, Transportation, bugs, and Butterflies. Graduation will take place soon.... that means it's time for us to prepare for our grand ceremony, fun fun fun!

We will learn to count down from 10-0, review counting 1-50 or more, review all the shapes we have already learned. We will continue improving our early reading skills with guessing game, clue game, rhyming game, sounding out the letters, reading books etc. Variety of art projects, games, and outdoor activities will accompany our learning.

Happy May everyone!

If you have any questions or concerns, please do not hesitate it reaching out to us

BUTTERFLIES (4 Year Olds)

Hello parents!!!!

May has arrived as well as the beautiful weather. Last month we sure learned a lot about clothes! Why we need them, different types of clothes, how are they made, clothes we wear for different seasons and occasions! We had fun sewing come "clothes" and had fun learning about what detergents make the most bubbles! We also took a pause and had loads of fun during Naeyc Week of the young child!

During this month, we will start a Pet Study! Over hearing our students talk about animals their parents have bought during covid's quarantine. Children have become curious about the different types of pets they see, what pets need, how pets make us feel, and the kinds of jobs that involve working with pets. We are excited to begin a study of pets and think it will be engaging and fun!

We will be creating our own pet store called Sonic Paw. We will need a lot of your participation, please wait for the official letter to find out how you can help our students with this study.

If you all have any questions, please don't hesitate on emailing us either at Carina@toddlertownevanston.com or angelica@toddlertownevanston.com or Robert@toddlertownchicago.com

You can also reach us by phone at (847) 475-1467 Ext.14

Thank you!

CHIPMUNKS (3 Year Olds)

Hello families! And hello May! Our room is thrilled to welcome the new month!

The chipmunks are looking forward for the warm weather and fun units for the next four weeks.

For the first week, we will be focusing on the Life Cycle of a plant 🌱.

May 10-14, we will be honoring all mothers and make our second week's unit about the importance of a mother's role.

For the last two weeks, May 17-31, our focal point will be our butterfly 🦋 unit! This portion of the month is very fun and exciting for both myself and our chipmunks. We can't wait to share these moments with you all! 📸

If you have any questions, please feel free to contact me at ext. 13 or via email at jasmin@toddlertownevanston.com

PS: please make sure you dress children accordingly for outdoor play ☀️.

Stay safe,
Ms. Jasmin.

BUMBLEBEES (2 Year Olds)

Hello Everyone,

As many of you already know, I am the new Bumblebee Head Teacher!

Many of you have asked if I will still be the Administrative Assistant, and the answer is yes. We are also working on finding a 3RD Teacher for my classroom.

During the Month of April, Children had a blast learning about April showers, spring, celebrating WOYC and enjoying the nicer days outside.

Students are currently being assessed by me. I am learning what they know and what they do not know. Once I know everyone's level, my lesson plans will be more detailed, and students will be challenged. So far, they are doing great dealing with the changes. They are following the routine and building a relationship with me.

For the month of May, Children will celebrate 5 de Mayo, they will create a beautiful gift for mom for Mother's Day.

Children will discuss more spring, birds, pets, flowers, transportation and caterpillars and butterflies! All my lessons are based off my student's interest. So, if I start a topic, if they do not show interest, I will implement something that they are interested in. If they are very involved and showing that they are interested, I will expand on that topic, and that same topic can extend to a month.

My students have planted a bean, we will be taking care of their little beans and watch them grow.

We will also get some caterpillars at the end of the month, so stay tuned!!!

If you have any questions or concerns, feel free to e-mail me at Norma@toddertownevanston.com or call us by Phone at 847-475-1467 Ext. 12 or Ext 16.

Thank you all again,

...stay COOL, safe, and please continue practicing social distancing!
