Announcements

Important Info!

We are officially in the Spring Season.
Dress your child accordingly and please be sure to
update your child's cubby bin.
Keep in mind that Students go outside daily as long
as it's between 32 and 92 degrees. If possible,
please label your children's belongings.

Parents, Please remember that if your students is not
here for more than 2 consecutive days, you will be
asked to Provide a Negative PCR Covid
Result within 24-48 hours. (Rapid and
store-bought kits are not acceptable.)

As the nice weather approaches, we
want to remind everyone that we have a
no open shoe policy, All students must
wear closed shoes that they can easily
run in if they had to,

REMINDERS!

Please Don't forget that payments must be
made on the 1st & 15th of every month. On
the first you either pay full tuition, or half of
the tuition. If you pay only half on the 1st,
you have until the 15th to pay the other half.
Late fees will be applied for no payments
after the first and also to unpaid balances
after the 15th .

TODDLER TOWN NOW CLOSSES AT 6PM,
STARTING 01/03/2022. Any time after 6PM,
families get charged \$15 every 10 minutes.

Don't forget to fill out the CrisisGo
questionnaire at home, before dropping off
your child. Teachers are ready to scan and re-
take temperature.

Please be sure your child comes to school
Wearing a mask and please be sure your
child has
two extra masks in their bin at all times.

PROCARE ENGAGEMENT PROVIDES ALL THE
SOURCES TO BE UP TO DATE WITH EVERYTHING
GOING ON IN OUR CENTER. This includes Paying
through the app, receiving documents, receiving
important updates, communicating with teachers,
and so much more. Ask us about ProCare
Engagement!

Always Comes First

SHARKS (5 Year Olds)

Hello parents!

Welcome to the month of May! Prior month, students were learning about Pets. They really enjoyed it and some of them might be ready for a little pet. Just joking! They understand that having a pet is a big responsibility and they might just want to focus on learning and play. We also talked about Earth Day and why we should take care of Earth every single day not just on Earth Day.

In the month of May, students will be engaging in our Water unit through Teaching Strategies. Students love water! They love drinking and playing with water. Throughout this unit your child will learn concepts and skills in language and literacy, math, science, social studies, the arts and technology. A letter to our families will be sent out about the unit.

Email: (Mrs. Maritza) Maritza@toddlertownevanston.com OR (Mrs. Julissa) at Julissa@toddlertownevanston.com

Or You can reach me at 847-475-1467 Extension 15,

Thank you!

Mrs. Maritza and Mrs. Julissa

Always Comes First

BUTTERFLIES (4 Year Olds)

Happy May to all families! We sure enjoyed our NAEYC week last month and learned so much about clouds, water, and recycling. We also learned about the importance of loving our planet Earth and keeping it healthy and happy. With our beautiful weather changing children are starting to be interested in plants and the fruits and vegetables that grow on them, and during mealtime that have shared their observations about the fruits and vegetables we eat. These interests have inspired Ms. Carina and Mr. Robert to start a gardening unit. We will use children's questions as basis of our investigations and learn how to plan and care for a garden. We will be using our classroom greenhouse to start on the right track. We will be sending out a letter on how parents can help us with this unit with the help of some supplies from home. Let's see if our spring showers will bring us some May flowers!

We will be doing some spring cubby cleaning! teachers will give out a date on when to bring fresh clothes for cubbies and we will just exchange.

If you all have any questions, please don't hesitate on emailing us either at Carina@toddlertownevanston.com or Robert@toddlertownchicago.com

You can also reach us by phone at (847) 475-1467 Ext.14

Thank you!

CHIPMUNKS (3 Year Olds)

Welcome to Magnificent May! There are so many things to look forward to in the month of May! This is the month we experience warmer weather, plenty of rain, and the Chipmunks favorite part: lots of outdoor play! During the month of May, we will continue following our daily curriculum, learning routine, and understanding language. Children will also spend time using chalk on chalkboard, trace letters with pens, markers and crayons, and finger paint on canvases. This month begins our study of insects, and we'll continue talking about nature every day and have weekly flower activities in the classroom.

Please feel free to reach out to us in the ProCare engagement app if you have any questions or concerns or even some FUN IDEAS! Or call us at 847-475-1467 Ext. 13

BUMBLEBEES (2 Year Olds)

Hello All!

Time sure does fly! We are now in the month of May. Last month children had lots of fun learning about April showers, Spring and all the fun activities we can do during spring and all the changes we see during spring and RRR. Children also celebrated for a whole week "Week of the young child." Children had fun dancing with scarfs, making and eating healthy Rainbows, working together and so much more. Unfortunately, due to the weather, we were not able to do the family project, but when the nice weather comes, we will plan another event.!

During the month of May, children will have more fun learning about birds, flowers and caterpillars and butterflies. The next few units will be extended to more than a week, since there is so much to learn about plants, flowers and life cycles. \

If you have any questions or concerns, feel free to e-mail me at Norma@toddertownevanston.com or call us by Phone at 847-475-1467 Ext. 12 or Ext 16.

Thank you all again,

...stay safe, and please continue practicing social distancing!
