Announcements

Toddler Town Open Enrollment

- We want to share with Everyone that Toddler Town Currently has Open Enrollment.
 - Refer a family member or a friend and receive \$100 off your tuition after a full month of attendance.

Important Info!

Although it's Autumn, the weather is dropping a lot. Dress your child accordingly and please be sure to update your child's cubby bin.
Keep In mind that Students go outside daily as long as it's between 32 and 92 degrees.

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

REMEMBERS!

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half of the tuition. If you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.

Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

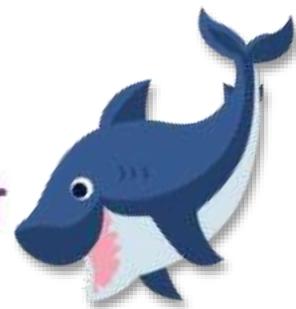

Please be sure your child comes to school Wearing a mask and please be sure your child has two extra masks in their bin at all times.

Parents, YOU ARE NOW ABLE TO PAY TUITION THROUGH THE PROCARE ENGAGEMENT APP. ASK US HOW!

SHARKS (5 Year Olds)

Hello Parents,

Welcome to the month of November! Students really enjoyed our lesson units from the past month. Students have also improved in their fine motor skills and mastering writing their name. We will continue to practice and improve these skills daily.

During this month, we will continue to learn about FALL/AUTUMN and Pumpkins. Our pumpkin unit is so much fun filled with sensory, and science activities. I encourage all parents to take your child to a pumpkin patch and share pictures with us. We are working on creating our own pumpkin patch in the classroom to make our learning experience more effective.

Email: (Mrs. Maritza) Maritza@toddlertownevanston.com OR (Mrs. Julissa) at Julissa@toddlertownevanston.com

Or You can reach me at 847-475-1467 Extension 15,

Thank you!

Mrs. Maritza and Mrs. Julissa

BUTTERFLIES (4 Year Olds)

We sure had a swell time learning about trees, apples, pumpkins, and harvesting.

We brought our scientific side in all of us by observing, recording, investigating, categorizing, tasting, comparing, and concluding answers by narrating our results in our journals. Students were excited to plant their own pumpkins seeds and adding them to our green house! Crossing fingers, they will survive in the cold months ahead!

In the month of November, there is so much to discover and learn! We will transition to a Healthy November. We will promote healthy eating by talking about great food choices for mealtimes / snack times and the importance of exercising! Also, towards thanksgiving week we will stop and talk about what it is to be or feel thankful. We will end the month by talking about opposites! Like every month we will have our daily journals, weekly focus of a new letter, number, color, and shape!

If you all have any questions, please don't hesitate on emailing us either at Carina@toddlertownevanston.com or Robert@toddlertownchicago.com

You can also reach us by phone at (847) 475-1467 Ext.14

Thank you!

CHIPMUNKS (3 Year Olds)

Hello parents! We are near the end of the year! Although October was good to us, it is now to say goodbye and welcome November! We have reached another beautiful and exciting month. Throughout this month The Chipmunks will be encouraged to understand the meaning of being thankful, the meaning of harvest, and FAMILY. We will be celebrating cultures and all their unique customs. Parents are welcome to bring anything to celebrate this month's theme, especially family portraits to be put up in our classroom! In addition, The Chipmunks will continue working on enhancing all their educational skills that will allow them to strive to be the best they can be!

Please, if you have any questions, feel free to contact Me or Mr. Cesar at Ext 13 or email us at jasmin@toddlertownevanston.com or cesar@toddlertownevanston.com

Thank you,

Ms. Jasmin and Mr. Cesar

BUMBLEBEES (2 Year Olds)

Welcome to the month of November. October was very fun, children were introduced to Journal time, Harvest, Autumn/Fall, and October fun. Students were also introduced to pumpkins to be able to fully study them in November.

On the last week of October, students enjoyed their Harvest party and photoshoot, thanks to all our bumblebee families for helping us make this day happen, it was amazing!

Now that children are beginning to follow routine a lot more, they can focus more on what I am teaching them. We will continue to discuss shapes and colors during the month of November, and we will do a lot of matching and sorting. Children will be encouraged to use their words and solve problems instead of crying and expecting for things to go their way. We will also continue discussing Pumpkins, and will learn more about healthy eating, fruits, vegetables, giving thanks and DAY AND NIGHT, since we will soon come to the end of daylight savings.

Please don't forget to stay connected with the ProCare engagement app. It's also important to keep up with the theme of the week to continue discussions at home. I hope everyone enjoys this beautiful month and the new weather.

If you have any questions or concerns, feel free to e-mail me at Norma@toddlertownevanston.com or call us by Phone at 847-475-1467 Ext. 12 or Ext 16.

You can also Reach out to Ms. Jessica at Extension 12 or by email at Jessica@toddlertownevanston.com

Thank you all again,

...stay safe, and please continue practicing social distancing!
