SHARKS (5 Year Olds)

Oh look, another glorious month! Welcome to the month of October!!!!

I'm so excited that spooky season is here, not to mention pumpkin spice!!!! In the month of October, students will learn about fire safety, trees and pumpkins!!! Fire safety is so important in the early years, it is important to teach our little ones to stay away from fire and stay safe.

Since October is here, the weather will be changing which means leaves will be falling down. October is the perfect month to talk about trees. We will end the month with pumpkins and some spooky fun! Stay for more family projects throughout the month!

BUTTERFLIES (4 Year Olds)

Well Hello Autumn! It is officially my favorite season of all! Get ready for those chilly days, comfy sweaters, and some warm apple cider lattes! We sure had fun in September with the All About Me Unit! Where we covered everything about us inside and out! We talked about the 5 senses and talked about the beauty of diversity in our school!

We are welcoming this crispy season with lots of learning! October will be filled with hands on and relatable activities. We will talk about Fall Weather and be hands on exploring about Trees, Apples, Pumpkins, and ending our month with School Bus and Fire Safety! We will come up with meaningful questions that can be answered through gathering information. Gather data about themselves and their surroundings to answer meaningful questions. Observe, investigate, describe, and categorize living things. Explore concepts and information about the physical, earth, and life sciences. Sort, order, compare, and describe objects according to characteristics or attribute and understanding the rules to follow when investigating and exploring. I promise you this month will be such a rewarding experience! As we always do, we will have daily journals and focus of the week including a new number, letter, shape, color, and a theme vocabulary words. Remember to check ProCare daily to see what your children are learning that day.

We will end our October Fun with a Harvest Party! We will celebrate on Friday, October 29! The theme is harvest you can wear orange, red, brown, green, or dress as a farmer!

If you all have any questions, please don't hesitate on emailing us either at Carina@toddlertownevanston.com or Robert@toddlertownchicago.com

Where Your Child Always Comes First

BOO! It's October! A very exciting month for many of us! This month we will continue celebrating autumn 🍂 in fun and educational ways! We will be learning all about apples and pumpkins 🍏 🎃 What is an apple? What is a pumpkin? How do they grow and where? What can be made with them? Alongside from our FALL fun, we will continue to practice our colors, numbers, shapes, and skills!

Be sure to notice our SPIRIT WEEK the last week of October! More information will be given by me or Mr. Cesar as the date approaches.

Please, if you have any questions, feel free to contact
Me or Mr. Cesar at Ext 13 or email us at

BUMBLEBEES (2 Year Olds)

Welcome to the month of October Families!

I want to wish everyone an AMAZING FALL SEASON, my most favorite season of all.

During the month of September, children had lots of fun learning about their five senses, their likes and dislikes, their body, their feelings and emotions, their families and were also introduced to FALL. These are all amazing topics that the children have learned lots from.

Now that we are done with those topics, and we are in the season of fall.

Children will learn about the season and the types of things and events that happen during this amazing season.

During the month of October children will be discussing trees, fire safety, School bus safety, October/fall fun and Pumpkins! On the 31st of October, children will be having a harvest party, children will have fun painting pumpkins and decorating them and dressing up on that day. Children are more than welcome to bring sugar free treats, stickers, pencils, stamps and so forth for them to pass out to their friends as long as it is enough for 20 children. I will be creating a list for you all to bring certain items for their small harvest party. If you have any question, please don't hesitate to reach out to one of us.

THANK YOU IN ADVANCE AND LET THE FUN BEGIN!!!

If you have any questions or concerns, feel free to e-mail me at Norma@toddlertownevanston.com or call us by Phone at 847-475-1467 Ext. 12 or Ext 16.

You can also Reach out to Ms. Jessica at Extension 12 or by email at Jessica@toddlertownevanston.com

Thank you all again,

...stay safe, and please continue practicing social distancing!
