Important News

Reminder: April 18th is Picture Day!

Parents, our annual fundraiser with chocolates will begin in May. Be aware that chocolates are to be paid for beforehand. More information to follow within this month.

Kindergarten Koalas

HELLO SPRINGTIME!

Let's go Kindergarteners!! The year has flown by and it is coming to an soon. We are at the point in our school year in which we are reviewing all of our words from the beginning of the year until now, sentence building and structure, reading comprehension, basic math such as addition subtraction and greater than less than. Many of the children are very fluent in all of these areas while there are still a few that continue to have problems. Please review all homework at home and discuss what we do daily with your child.

For the month of April we will begin our Spring unit in addition to graduation preparedness. We will be practicing our songs and ceremony daily so please ensure that your child is in attendance daily. Any questions please let me know.
Mrs. Jane

Lions Classroom

Dear Families,

The temperature is rising, flowers are blossoming, and there are patches of green grass. In other words, spring is here! And spring is the subject we will be exploring at school. Throughout the month, the children will become more aware of the many changes that take place during this season, as well as common spring activities. They will be exposed to spring flowers, animals, and insects. Our goals for this month include spring colors, weather, plants, insects, and animals.

Enjoy your child as you explore concepts related to spring.

Ms. Jessica

Teddy Bears Classroom

Dear Parents,

SPRING IS HERE!!! This month the children will be learning about the letter's w, x, y and z. We will also learn about the colors Brown and Gray. This month we will also incorporate shapes such as circle and triangle into our weekly focus. The weather is blooming outside so please check your children's cubbies and begin to switch out clothes for nice weather as well as making sure the children have various sets of clothing for accidents, etc. Another reminder, please check your child's diaper cubbies as well for diapers and wipes, if you are running low please bring in more diapers or wipes the next day.

Thank you,

You're Mama Bears,

Miss Selina and Miss Jackie

Bears Classroom

For the month of April, we will be discussing Transportation, the letter U, Vegetables, Weather and the color Yellow. We will also be reviewing our numbers from 1-20. We will continue to create our art projects using spring collage materials. We will continue to use soil and seeds for sensory play. Outdoors, we will continue to marvel at the change in the environment as spring springs up more. It will be a wonderful and fun month! Ms. Taga

Dragons Classroom

Dear Parents,

Spring has finally arrived. We have many fun topics set for April. Our letters will be Tt, Uu, Ww and Xx. Our topics will be, transportation, things that go up, weather, and x marks the spot (maps). Now that the weather is warmer, we will be going out on the playground more. I would like to thank all the parents who came in for conferences. You are an important part of the learning experience. Thank you, Ms. Hope

Butterfly Classroom

The Butterflies had so much fun during our Bee and Butterfly unit that it was difficult to wrap it up. Hopefully we can go back and work on that unit again soon. But since it is a new month, we will begin a new unit entitled: Bubbles, Boats and Floats! Your children will love splashing up in their imagination in this water filled theme. Experiment with what will sink or float. Children will create a pretend river and a sailboat that floats. Water is an important natural resource. Your children will learn how to preserve, appreciate and protect our water.

Also this month we will focus on the letters: K, L, M and N.
