

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Warm weather is on it's way! Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on during these weather transitioning days.

The Teaching Strategies website is up and running. Emails have been resent to all parents asking to join the Teaching Strategies website.

Reminder: **Tuition payments are due on time.** Any payments made after your due date will result in a late fee added to your current amount. Envelopes have to be handed to a teacher or can be made online via our website.

Important News

Parents, remember that our Fundraiser will be this month. Boxes of chocolate have to be paid prior to being sold or the amount will be added to your monthly tuition.

Kindergarten Koalas

Yay for Springtime! Our year is almost over in the Kindergarten class and we have started our rehearsals for graduation. The whole class is very excited to be singing and dancing for all their family members.

This month we will be exploring Spring, Planting, 1st Grade Readiness, and much much more. The children will be excited to go home and discuss everything that they are learning daily. Please encourage open-ended questions so as to expand their thinking.

Please check your child's cubby for appropriate clothing.

Thank you, Mrs. Jane

Teddy Bears Classroom

Dear Parents,

May has arrived and we can't wait to get out doors daily and take in the sun and fun. This month we will be working on nature and outdoors. We will also continue to work on numbers and shapes. We will try and combined activities so it is were as the children will learn about nature and numbers or shapes at the same time. We plan on doing lots of hands on activities with dirt, sand, and water. We will also go on nature walks and take lots of pictures. Please continue to check your children's cubbies for notes pertaining to diapers and wipes. Also please remember to exchange clothes out for spring/summer clothing as the weather changes.

May is going to be a great month!

Your mama Bears,

Bears Classroom

For the month of May, we will be discussing the letter Z, zoo animals and reviewing our alphabet from A-Z. We will do this through games and various art activities. We will also be preparing for Mother's Day by making Mother's Day gifts and cards. In our media table, we will explore our senses by using different materials. We will continue to use a variety of spring materials for art exploration. Outdoors, we will discover the change in weather as well as the change we see around us. __Ms. Taga

Dragons Classroom

Dear Parents,
Spring ha finally arrived and we will be spending as much time outside as possible. This month we will finish the alphabet with the letter z and zoo animals. We will also talk about mothers, new farm babies, and the coming summer. Creating gifts for our mothers and many spring crafts will keep us busy.
Thank you, Ms. Hope

Butterfly Classroom

Bubbles Bubbles Pop Pop!! That's the sound we heard all throughout April during our Bubbles, Boats and Floats unit. But we are ready to sail into May with a new unit; SHAPES! We will review our basics and add in a few new ones. This unit is to help the class reemphasize their knowledge of shapes and for some children to help them identify their basic shapes. The class will work on sorting, tracing, and cutting along with counting and logic skills.

The end of the year is quickly approaching so be sure to visit the Teaching Strategies website for added documentation.

Mrs. Claudia & Ms. Irene

Lions Classroom

Dear Families,

The days are getting warmer and sunnier, that means the children will be able to visit the playground more often. We had a busy month of April learning about The Water Cycle and spring weather. For the month of May we will focus on Feelings/Emotions. The children will also learn about their 5 senses. Some holidays/important days we will focus on are: Mother's Day and Memorial Day. Remember we have an open door policy, so join us on a walk when weather permitting.

Ms. Jessica
