

**"WHERE YOUR CHILD ALWAYS COMES FIRST!"**

Summer is almost over and it's time to get ready for some chilly weather. Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will still be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on cool days.

The Teaching Strategies website should be up and running soon. Teachers will be informing all parents of any details associated with this website and your child as it becomes available.

Reminder: **Tuition payments are due on time.** Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher.

## Important News

**Many children this month will be moving to the next level of classroom. This is an exciting transition for teachers and students as well as parents. If you have any questions or comments please feel free to let us know.**

## Kindergarten Koalas

Welcome to Kindergarten! I am very happy to be receiving a new group of children this month in my class. There are lots of things to cover this year to get the children ready for 1<sup>st</sup> grade. I will clearly need the help of the parents at home to go over and assist their child with any homework and/or lesson being taught. This year will be very different for many of the children coming from the younger classrooms.

For the month of September we will mostly be discussing self. The children will have a chance to get acquainted with each other and with the new classroom and rules as well as the schedule. If you have any questions or comments please feel free to see myself or Mr. Robert in the office.

MS. Jane

## Lions Classroom

Dear Families,

The summer is quickly coming to end, and we will begin a new school year full of exciting new themes and crafts. For the month of September we will focus about the children's ideas, likes and dislikes. Daily activities will be sent home, so please make sure to check your child's locker for any handouts. We are excited and eager to begin our preschool year full of new adventures and ideas! If you have any questions or concerns please feel free to speak with me.

Thank You,  
Ms. Jessica

## Peanuts Classroom

Dear Parents,

For the month of September we will be welcoming our Teddy Bears to the fall. We will be learning about our Colors, shapes, and numbers. As well as having a theme for the month. The theme will be Outer Space. We will be going over our numbers and colors and shapes while incorporating Outer Space.

Parents please remember to change the clothes in your child's cubby to fit the weather, and also dress your child in the proper attire for the daily weather. Always check your child's cubby for notes from their teachers, for example, your child needs extra pants, or an extra shirt, or More Diapers/pull-ups.

We are looking forward to having an amazing fall!

Your Mama Bears ☺

Ms. Selina and Ms. Jackie.

## Bears Classroom

For the month of September, we will be introducing new and returning students by having an All About Me week. We will also begin reviewing our alphabet by discussing the topics of Animals and Bugs. We will begin reviewing our numbers from 1-5. In our media table, we will add bugs and animals to our sand play. For art, we will begin using fall materials for our creations..  
Ms. Taga

## Dragons Classroom

Dear Parents,  
I am so excited to welcome all the new students to my class. We will start the month getting to know each other. I will be evaluating each child to see what their strengths and weaknesses are. We will also be working on our letters, numbers and writing our names.  
Mrs. Hope

## Butterfly Classroom

Welcome to the Butterfly Room. For the 1<sup>st</sup> month of the 2012-2013 school year we will be spending time getting to know our friends, families and feelings. Your children will practice making friends and identifying feelings throughout the month. We will also learn about our new families and what makes us alike and different. This is an exciting month because we are exploring emotions thru a variety of learning activities. Friends and feelings is a special and warm way to start off a great year!

Mrs. Claudia & Ms. Irene
