April is here, which means April showers bring May flowers! This month we welcomed all of our new students into the bumblebee classroom! For the month of April, our themes include but not limited to; continuing with spring, rain, flowers, birds, and insects! Our art projects and activities are but not limited to; paper plate sunflowers, foot flowers, leaf tie dye, painting with feathers, birds nest, owl, and butterfly foot prints! The letter for the month will be R, F, and I! We will continue to work on our numbers and colors both in Spanish and English! Please parents remember to check your child mailboxes and portfolios! Here in the Bumblebee class our motto remains, “Ready, Willing and Able to Explore!”

Ms. Stephanie and Ms. Vanessa

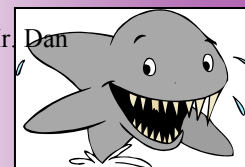

Goodbye winter, Hello Spring!!! Last month we had so much fun learning about our name, St. Patrick's day, and rabbits. This month we will be talking about spring, earth day and some more spring animals. If there are any ideas that you would like to share with our class please feel free to talk to your child's teacher. Thank you

Mrs. Sandra and Mrs. Daulat

WOW! It's already April! The sharks took advantage of this weather by playing outside and even got the chance to go to the park. It is really starting to feel like spring. In April we have some exciting themes including: the 5 senses, bugs/insects, community workers, and earth day/recycling. We will keep working on our life skills as well. These include zipping our coats and tying our shoes. These are things that the children can practice at home with you too! J We also will be working on the concept of sequencing and scheduling. WE NEED YOUR HELP!! Please bring in paper towels and toilet paper rolls for art activities. We can't wait until we see all the benefits of spring.

Ms. Jaya and Mr. Dan

Dear Butterfly Parents,

With so much to do, March flew by quickly. We talked about the ocean, the helpers in our community, and we also planted flowers. In the Month of April, we will talk about feelings and ways to express the way we feel. Our themes this month will also include rain, bugs and insects, Earth day, and babies. We will continue to practice writing and spelling names. Please continue to check cubbies for weather appropriate clothes as the weather is changing. April is usually rainy and muddy, so please send your child prepared for this kind of weather. Parents are more than welcomed to bring in books that are age appropriate and theme related. You may also sign up for volunteer opportunities (see the Helping Hands Form). Thank you for all of your cooperation and involvement. We are all excited for April!

Thanks!

The Butterflies

HAPPY SPRING!!
