Hello parents! I can't believe December is here already, and that means the New Year is approaching. The children are getting winter ready and gaining a sense of mastery through practice putting on their jackets and hats. Last month we had a lot of fun celebrating and learning about giving thanks with lots of fun activities. We ended the month by talking about family. With so many activities related to our family theme, we are continuing to talk about family this month. Other themes include: celebrating the holiday, winter building snowmen, festival. making festival art work etc. The letters we will talk about this month are, W, B and S! This will be the last newsletter for this year, so on behalf of Toddler Town: we would like to send the families warm wishes and a happy and successful start to the year 2013! In the Bumblebee class, we are Ready, Willing, and Able to Explore! - Ms. Stephane

Season greetings parents! We have reached our last month of 2012. It is amazing how fast this year has gone by. Last month we had fun discussing germs, staying healthy by eating right, and celebrating Thanksgiving. This month we look forward to working on some Winterrelated themes as well as celebrating the holidays. Remember parents, we will be going outdoors to play as well as bringing our outdoor environment into our classroom setting. Parents please enjoy the holidays and we will see you in 2013!

ready! It's seems just like yesterday we were enjoying the sun and warm weather outside. During December we will be working on such exciting themes. The first week of December we will explore Snow and what the season of Winter will bring. Winter animals will be our theme for the second week. We all really love Penguins, especially those that dance. Holidays and Traditions will be discussed the third week. We will talk about Hanukkah Christmas, and Kwanzaa, along with other traditions our families do around the holidays. The fourth and final week we will explore New Year's Day and how we move from 2011 to 2012. We will also be focusing on lower case letters and our middle names. We are excited to build snow men and explore ice and snow as it gets colder. Happy December! - Ms. Java
