Welcome parents! Another month has come and gone! We will like to thank everyone for participating in our Valentine week festival. Now that we're in March, this means spring is knocking at our door; which means our classroom bear will be coming out of hibernation! For the month of March, our themes are but not limited to; St. Patrick's Day, Pets Week and celebrating Dr. Seuss Birthday. At the end of March, we will talk about Easter for the beginning of April! A few of our activities will be making Easter eggs, Shamrocks, Dr. Seuss hats, and also making our favorite pets. March will be very exciting as we welcome back spring! We will like to welcome our new friend in the Bumblebee classroom Jameir Lilly! Our Motto remains the same, "Ready willing and Able to Explore!"

Hello parents!

February has come and gone. We had such fun learning about teeth, hearts, and presidents. March is now here and we will continue our fun with interesting themes such as St. Patrick's day (which brings us clovers; a fun shape to work with), all about rabbits, and learning our names. Parents if there are any fun ideas that you would like to share, please feel free to come and talk to us.

Thank you

Mrs. Sandra and Mrs. Daulat

Dear Parents,

This month, we will talk about the helpers in our communities, our five senses, feelings, reptiles and amphibians! If you would like to become a part of the fun, see the "Helping Hands" form on top of the classroom mailboxes to volunteer! I would like to encourage families to become involved in their child's classroom. We would like to say thank you again to families who donated child safe recyclables for art projects and also to those who participated during our Valentine's Day event. Please remember that the weather is constantly changing and be sure to check your child's cubby for weather appropriate clothes. Take home folders will be sent home on Tuesdays and Thursdays and activities are usually related to the week's theme. If you have not yet accepted an invitation to the Teaching Strategies website, please be sure to see the teacher and find out how. We are looking forward to another wonderful month!

Thanks!

The Butterflies

Spring is coming! Having this calm winter it already feels like it is here. The month of February was filled with fun activities including snow-fun, a pajama party, and celebrations for Valentine's and President's day. March promises to be just as exciting. We will study the themes: nutrition (March is national nutrition month,) spring weather, St. Patrick's Day, and Dr. Seuss. We will celebrate St. Patrick's Day and Dr. Seuss's birthday with parties. We are excited to spend more time outside as the weather changes.

Ms. Jaya a and Mr. Dan
