Toddler Town and Families Coming Together

First of all Toddler Town would like to thank all of our families that stopped by for family fun night last week. Our school had such a turn out and we wanted to show our appreciation for everyone's efforts and commitment. We all enjoyed great hot dogs from the hot dog carts while getting to know different families, staff and children. We had three rooms set up with different activities for the families to enjoy such as a dance room, coloring room and a game room. Everyone had such a great time and everyone made new friendships and connections. Look forward to the next Family Fun Event coming up in August, we will have flyers posted for everyone to see. Speaking of bringing families closer with bonds, let's not forget to please submit our recipes for our Toddler Town Cook Book so we can bring everyone a little closer. Please ask a teacher any questions you may have regarding the recipes. The sooner you submit the sooner we can create the book and share with everyone, Thank you. Parents please be sure to log into your ABCmouse website and try new fun activities with your child.

You will find fun new lessons and games to try with your children and can even help them create an avatar that resembles them.

We hope to see all of our families at the next family fun event.

TAKE NOTE

- Please sign up for a parent-teacher conference if you have not already
- Some children will also be making transitions to a different classroom
- Keep an eye out for Family Fun Event dates.

UPCOMING DATES

- First day back to school for CPS schools will be September 2nd 2014
- Don't forget to register your children for first grade

Ms. Jackie and Ms. Lee's Teddy Bears Class 2-year-olds

Liberty Hats

Last month was fun with the red, white, and blue 4th of July experience. The children also enjoyed being outdoors. This month we will continue enjoying the outdoors as well as work on our 5 senses. Each week we will focus on a specific sense and

do activities pertaining to them. In addition, we will continue to do our everyday lesson on colors, shapes, the alphabet, numbers, etc. Parents this month we will also be holding conferences to go over your child's progress. Please make time to

see us so we can discuss any progress or areas of work that your child may need. Happy August!
Ms. Jackie and Ms. Lee

Ms. Selina and Ms. Irene's Butterflies Class 3-year-olds

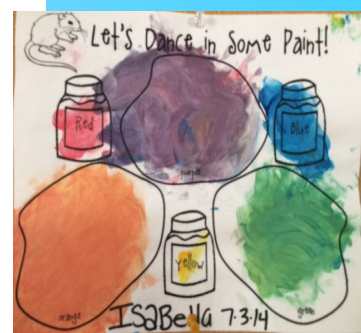

Hello Parents,

The month of July we work on the children's names, becoming comfortable with new friends in our classroom as well as reviewing colors and mixing colors to make new colors. We had so much fun with paint activities

this month, I am so proud of what the children have grasped and created on their own. This upcoming month the children will focus more on writing their names and identifying the letters that are in their names. We will work on counting the letters in our

names and identifying their names when they see them written. Parents please don't forget to attend a parent-teacher conference. This is the last month of summer so enjoy with your loved ones and have fun family adventures.

Ms. Selina and Ms. Irene

Mixing Colors

Mr. Temok's Guppies Class 3 and 4-year-olds

Outside Class Picnic

In the month of July we adopted our Fish named Blue for the students. We had beach week. With the weather nice the students were able to enjoy a picnic day for 4th of July, Independence Day, we also made a paper fireworks. Finally, we focused on the

Five Senses.

In the month of August we will have a camping day. The kids love of the beach week so I will bring it back in a different unit using different topics. We also will be learning about our Solar System. I want to say "Thank for the support

that I have received from parents to do the activities in the Guppies classroom".
Mr. Temok

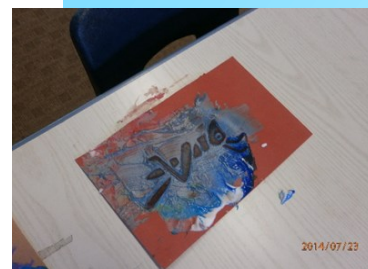

Ms. Barber's Bumble Bees Class 3 and 4-year-olds

In the month of July the students focused on the Five Senses- sight, smell, hearing, taste, and touch. Also we learned how to write a few new words and worked on the letter S for Sense. In the month of August we will be working on the solar system. Learning about the different planets and making our on solar

system for our classroom, so stay tune to see that project in our classroom. In addition, we also will be going over safety tips about driving and working on different transportation that the students see, hear, or drive in every day. Finally, parents please check cubbies for daily news and homework packages. All

homework must be turned in on due date and it should be placed in the purple homework basket that was just added to the classroom. Also I encourage all parents to PLEASE let your child do his or her homework by themselves, please and Thank You.

Shaving Cream and Paint

Sand Art

Ms. Taga's Bears Class 4 and 5-year-olds

To recap the month of July, we continued with our study of opposites and celebrated the 4th of July. For the month of August, we will continue our opposites and cover same/different, sequencing and rhyming. We will also continue our summer

projects using summer related collage materials. Outdoors, we will continue water play using fish and sea animals and enjoy outdoors with our new play materials. We will also be having conferences. These will be announced at a later date. It

should be a fabulous month!

Ms. Taga

Ms. Megan's Koalas Class 5-year-olds

Hi Parents!

Wow the summer has gone by in a blink of an eye! We had an exciting month of learning. Our class learned all about different types of music, artists, and instruments. We got experience the rich culture of music that is play around the world. Here is one project the children created during small group time. The chil-

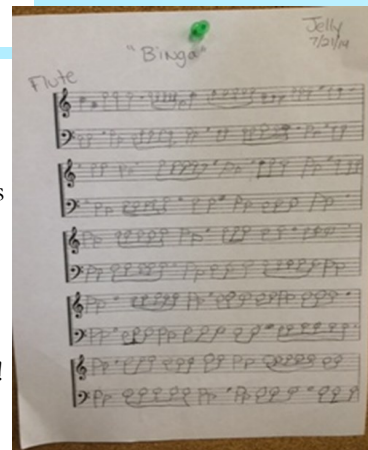

dren were asked to create their own music master piece.

For the month of August, we will be preparing for the new school year. I will be introducing new children into the routine of the class, preparing the older students for first grade, and redesigning the room.

Parents, I will be holding parent teacher conferences

the first 2 weeks in August. A sign up sheet had been placed near the sign out area. If you have any questions or concerns please see me and I will be happy to help. Thank You and I Look Forward To A Great School Year With the Class of 2015!

Good Luck to the class of 2014, Ms. Megan
