Staying Involved at Toddler Town

Happy September families of Toddler Town. We had a great first day of school, the parents were greeted with lovely breakfast pastries and beverages as they walked into Toddler Town. This was a great opportunity for parents and teachers to have friendly conversations getting to know one another as well as getting to know more parents here at Toddler Town. During the month of August we also held parent-teacher conferences and we would like to thank everyone for showing up and making a difference. This month we look forward to working with children and their families creating "All About me" Posters, as well as working on a family unit. We encourage families to come in and participate in family involvement such as reading a story, leading an activity, playing an instrument or just coming in to play

along during circle time. Please see your teachers to sign up for a date and a activity. Last but not least look out for our Health Fair that will be coming very soon. The dental people will be coming back for a 6 month check in, make sure your child is here for all the fun and information that will be given. If you know of any health care professionals who would like to take part in our health fair please see your director. Thank you.

Take Note

- Please check cubbies for current weather clothing.
- Update Contact Numbers- If number has changed or been disconnected.
- Classroom transitions in effect

Upcoming Events

- October 10th- No School (In Service Day)
- October 13th-(Columbus Day)
- Health Fair/Dental Visits- Coming Soon

Ms. Jackie and Ms. Lee's Teddy Bears Class 2-year-olds

Feeling Colorful Sand

Hello September!!! We finished last month learning about the 5 senses. This month we will be focusing on aquatic animals under the sea and recreating these animals through arts and crafts. We will also be ending the summer with a bang and introduce the

children to Fall. They will learn about what the season entails as well as doing art projects for the season. "All About Me" posters will be going out. We ask that you and your child work on these together and you use pictures of your child and family

to make them more personal. This poster will give the children a chance to tell the class a little bit more about them and helping build friendships.

Ms. Selina and Ms. Irene's Butterflies Class 3-year-olds

Happy September Everyone! Welcome to a new school year. The children had such a great time this summer, we played outside, learned new things, and made new memoirs. During the month of August the children reviewed their names such as learn-

ing the letters in their names, what their name looks like, and how to start writing their names (tracing). This unit has been very successful. For this Month the children will first complete the "All About Me" Unit, as well as complete a All about my

Family Unit." Later in the month the children will also do review of their names so we can look back on what we have learned and progress. Parents if you would like something to be discussed in class please see Ms. Selina. Thank you! :)

Our Bird Nests

In the month of August we had a camping week and thanks to mother nature she allowed us to have a camping day on the playground. We also learned about birds and their habitat. Finally, we had a pizza party to say

Good-bye to summer and hello to the New School Year.

In the month of September we will make "All about me" (posters) and all about my family projects. Last month was kind of busy so we

were not able to make our Solar System so we will do this in the month of September. Also we will talk about bullying during our class time.

Mr. Temok

Mr. Temok's Guppies Class 3 and 4-year-olds

Ms. Barber's Bumble Bees Class 3 and 4-year-olds

In the month of August we worked on Bubbles and Pizza. Bubbles dealing with the shape and size. Pizza dealing with the taste. Also we learned more letters and did some very cool art projects that went along with our theme for the weeks. The Letter B and P was the letters for the month of August, we learned how to write these letters and point out other things that start with these letters. In the month of Sep-

tember we will be preparing for the new school year. I will be introducing new faces to the classroom and the new setup to the classroom. Also we will be working on a lot of All about me projects to get to know one another so parents please send all your child's homework back on due date and please go over these worksheets with them. I will be informing you on upcoming projects in our class. Finally,

parents please check cubbies for daily art work, news, and homework sheets. How can I forget about our beautiful camping experience we had, the children had so much fun, thank you to everybody who donated snacks and other things. We really appreciated.

Confetti-Glitter Art

To recap the month of August, we have finished off our section of opposites, sequencing and rhyming. For the month of September, we will begin with our All About Me project. We will discuss our interests, likes, dislikes,

and our family. We will also begin reviewing our alphabet by discussing topics of Animals, Bugs and Colors. We will also be discussing Fall and beginning our fall projects. We will be reviewing our numbers from 1-5 as well. In

our media table we will be experimenting with soil and adding bugs and insects to it. It will be a fun month!

Ms. Megan's Koalas Class 5-year-olds

Hi Parents!

Wow the summer has gone by in a blink of an eye! We had an exciting month of learning. Our class learned all about different types of music, artists, and instruments. We got experience the rich culture of music that is play around the world. Here is one project the children created during small group time. The chil-

dren were asked to create their own music master piece.

For the month of August, we will be preparing for the new school year. I will be introducing new children into the routine of the class, preparing the older students for first grade, and redesigning the room.

Parents, I will be holding parent teacher conferences

the first 2 weeks in August. A sign up sheet had been placed near the sign out area. If you have any questions or concerns please see me and I will be happy to help. Thank You and I Look Forward To A Great School Year With the Class of 2015!

Good Luck to the class of 2014,

Ms. Megan
