Teddy Bear Classroom-2yr olds

Dear parents,

This month in October we would like to introduce the children to the Fall Fest. We plan to have lots of arts and craft activities this month, as well as gross and fine motor activities. The children will continue to work on colors, shapes, numbers and the alphabet. During the month of September the children had a chance to learn about each other inside the classroom such as their favorite books, their feelings, and favorite super heroes. However, we also want the children to learn about each other outside the classroom. Therefore, the children will learn about their peers on another level, that being their families, where they're from, their favorite food, and favorite color. An activity to help the children present these topics will include a take-home poster project called, "All About Me".

Parents, expect to see lots of new artwork around the room and be excited for the fall fest party at the end of the month. We can't wait to see all your costumes.

Sincerely your mama bears,

Ms. Jackie and Ms. Selina

Butterfly Classroom-3yr olds

Fall is in FULL EFFECT in the Butterfly Room! Last month we had so much fun getting to know our new friends and families, so Thank You to all the parents that help make it a success. This month we will be discussing the Fall season and a unit entitled: In The Orchard. We will get to learn about various parts of a tree and apples. Children will love exploring the colors, tastes, smells and sounds inside an orchard. Climb up an apple tree, count seeds, discover roots. Then, compare the many different fruit trees growing in our make-believe orchard. Children will love exploring the smells, colors and tastes that an orchard has to offer. We will also get to use real apples for many of our projects...talk about FUN!

Mrs. Claudia & Ms. Irene

Bears Classroom 4/5yr olds

Happy Halloween! Fall has arrived! For the month of October, we will be continuing to study dinosaurs, emotions, family, and the color green. We will also be reviewing our numbers 7-10. We will continue to use fall foliage for collage materials such as bark, pinecones, acorns, leaves, and sticks to create our projects as well as incorporate them into our sensory and discovery play. We will also celebrate the end of the month with a Fall Harvest Fest that includes a costume parade and enjoying creating pumpkins and jack-o-lanterns to celebrate the occasion. We are going on a field trip soon so that should be a great time. It should be a fun month!

Ms. Taga

Lions Classroom 4yr olds

Hi Parents! Goodbye summer and hello Fall. This month we are welcoming the fall season. For the month of October, our class will be working on many themes like colors, fall harvest, bugs and the letter A. We will continue with our daily lesson of weather, calendar, ABC's, and counting. Parents, please be sure to have your child dressed according to the weather as well as having the proper clothing in their cubby box.

Happy Fall Harvest!!

Ms. Megan

Dragons Classroom-4yr olds

Dear Parents,

Fall has arrived and I have a fun October planned for the children. This month in the Dragon class we will be studying the letters Ee, Ff, Gg, and Hh and the numbers 5-8. We will also focus on emotions, fall, grandparents and the Fall harvest. We want to welcome all family members to our Fall harvest party around the end of the month. There will be a letter to follow with exact date and time.

Ms Hope

Koalas Classroom-5yr olds

Bye Bye Summer and Hello Autumn!!

Welcome to October, where the air is crisp, the leaves are changing, and baking takes over. This month we will have a lot of fun and exciting things going on in our classroom. We start the month off with the Apples theme. We will be having an apple day in which we taste different kinds of apples and graph our favorites. Also this month we will explore harvest, weather, some feelings and of course the Halloween holiday. By the end of the month we will have a class decorated with seasonal projects, jack-o-lanterns, bats, spiders and more. We will be having a costume parade at the end of the month as well.

Parents, beginning this month we are now in our 5th set of sight words. Please help your child with any and all homework and/or projects. Let's have a great month!! :) Mrs. Jane (:

Important News

Parents be aware that children will be transitioning to new classrooms this month so please be sure to have a new change of clothing and any other items updated.

Tuition payments are due on time to avoid any late fees.

Toddler Town Daycare Too will be going on a field trip very soon. More information is to go out this month.
