## *Health Fair Coming to Toddler Town*

Welcome October! September has come and gone and now Fall is officially here. Toddler Town had a great first month of school, everyone worked on "All About Me" posters and worked on "All about my Family" Units. This month we have so much in store for our students and families. We will have a dental hygienist on site as well a health care professional.

We will be able to discuss health habits and new changes to insurance policies as well as have a dental exam for our students. They are also here to help you with any questions you may have regarding health. This month is

also Fire Safety month please be sure to have safety conversations with your children and keep them updated on a safety plan in your home. October is the month of our Fall Fest party we will have small parties in our classrooms, please see your teachers on what healthy items to bring. Teachers will have a sign up sheet in every classroom. Parents please remember that Toddler Town will be closed on Friday October 7th for an in service day. We have an amazing month ahead and we cant wait to see all your faces and healthy smiles.

Here is a website that will give you healthy eating tips, check it out:

## *Ms. Jackie and Ms. Lee's Teddy Bears Class 2-year-olds*

Happy Fall Fest!!! Last month we focused on the 5 senses, aquatic animals, and "All About Me" posters. The children were also introduced to the Fall season, which we will continue into this month with fun arts and crafts and lessons about what the fall

fest entails, such as pumpkins and weather changes. We will also have a Fall Fest Party on the 31st of October in which the children are asked to dress up. Lastly, this month we will assess the children through our ASQ program.

The Teddy Bears will also talk about fire safety because it is celebrated in October.

Ms. Jackie and Ms. Lee

## *Ms. Selina and Ms. Irene's Butterflies Class 3-year-olds*

Lovely Fall is here! Time for nice sweaters, boots and sweatpants. We all can't wait in my classroom to show off our new wardrobes. In September the butterflies did all about me posters which included learning about their cultures such as where they

are from as well as their parents and what language they all speak. We also worked on feelings and community helpers in our neighborhood. This meant we were able to have special guest come in like a mailman, policeman, nurses and more. This month

the butterflies will work on fall fest activities, Safety, and science projects. The children will go on nature walks to see the seasons change and learn what being safe is all about. We have a fun filled month ahead of us.

Ms. Selina and Ms. Irene

## *Mr. Temok's Guppies Class 3 and 4-year-olds*

September was a fun learning month we created our "All about me" posters as well as our "All about my family" poster. The children discovered the inner body, such as bones and how we can see them using an X-ray. This led us to create our very own X-ray using paper and Q-tips. Another lesson this month

was about our solar system. It was amazing, the children learned so much and we even had the chance to make rockets. We went over being respectful vs. being a bully. Our class is now a BULLY FREE-ZONE!

In the month of October the children will continue work-

ing on the alphabet and numbers. We also will explore the science area with special activities; the students will discover the world of the fall season. We will make a rainbow; this activity will be a bilingual activity, wait and see what we come up with.

*Ms. Barber's Bumble Bees Class 3 and 4-year-olds*

To recap the month of September, we discussed and learned about ourselves and our family. This month has been focused on all about me and all about our families. We learned who lives in our house and their full names. We also learned where we lived and our phone numbers and also worked on a few letters “F and M” for Family and Me. We also learned about different emotions that we have and we

made our very own emotions chart with our faces. For the month of October we will begin to work on Fall Harvest. We will discuss why the leaves change colors, why do we call it fall, what holidays are in the fall, and the things we do in the fall. We will also review our alphabets and our numbers from 1-5 and continue to work on recognition. We will also began a safety project and learn

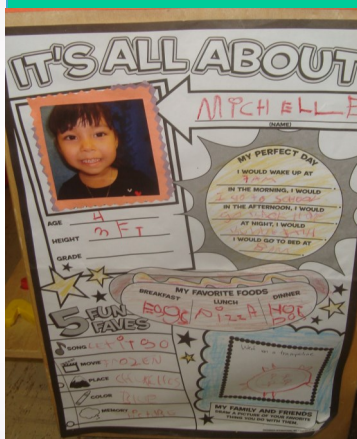

some safety tips. It will be a fun interesting month!

Ms. Barber

## Emotions Poster

*Ms. Taga's Bears Class 4 and 5-year-olds*

*“All About Me”*

Happy Fall!!! To recap the month of September, we discussed All About Me and began reviewing our alphabet. We talked about different types of animals, bugs and colors and discussed the season of fall and what happens in the fall. For the month

of October, we will be discussing dinosaurs, emotions and families and enjoying our fall festival with a costume parade and a party. We will also be continuing to review our numbers 6-9. In our media table, we will enjoy fall items in leaves and go

on a nature walk to enjoy the change in seasons. We will also begin our fall projects, incorporating fall items into our projects. It's going to be a great month!

Ms. Taga

*Ms. Megan's Koalas Class 5-year-olds*

Hi Parents!

What a great first month of school our students have had. We had so many fun lesson plans like exploring our new classroom, learning all about each other, studying new words and studying different kinds of emotions as well as bullying. We also had great project to go along with our themes. For example, the following picture is project the children made describing what

subjects or lessons they would like to learn about this year. We had such a great month and we can't wait to see what next month brings!

The month of October is going to be an awesome month! This month we will be learning about different lessons like Fire Safety, Fall Harvest, Addition and new Sight Words. There is going to be some many activities and projects in store for the children!

Parents: Don't forget that we are switching over from summer to fall, that means the temperature is dropping. Please be sure to bring them with the proper clothing items as well jackets and hats!

Thank You,  
Ms. Megan
