Happy NEW YEAR dear parents!! Hope you all tried your best and stayed healthy last year! Wish this year brings us health and happiness!

December was so much fun! We loved celebrating all the winter holidays with each other. Our holiday/new year's party with healthy snacks was another success! As the New Year starts, we have a lot of exciting themes to explore. In January we will explore the season winter, Martin Luther king Junior and Hibernation. We will continue focusing on sounds of the letters and writing names!

Chipmunks January 2021!

Happy New Year! It is time for new beginnings and fresh opportunities. We are ready for a new start and lots of fun and interactive learning activities. As the weather is changing, we will start off with a Clothes study. What do we know about clothes? What do we want to know about clothes? What do we want to find out? What are the features of clothes? How do we take care of our clothes? How do people make clothes? Where do we get clothes from? What special clothes do people wear for clothes? What types of clothes do we wear for each season? We will also incorporate our focus of the theme with new vocabulary words each week. Let's have a wonderful healthy year!

Ps. Make sure to bring extra masks to keep in cubbies

Bumblebees January 2021!

Hello parents!

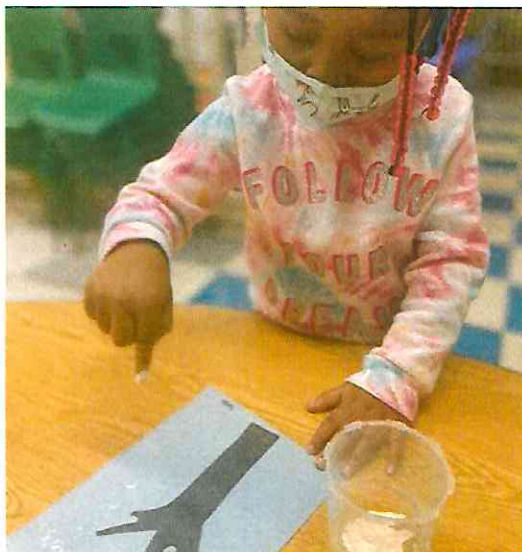

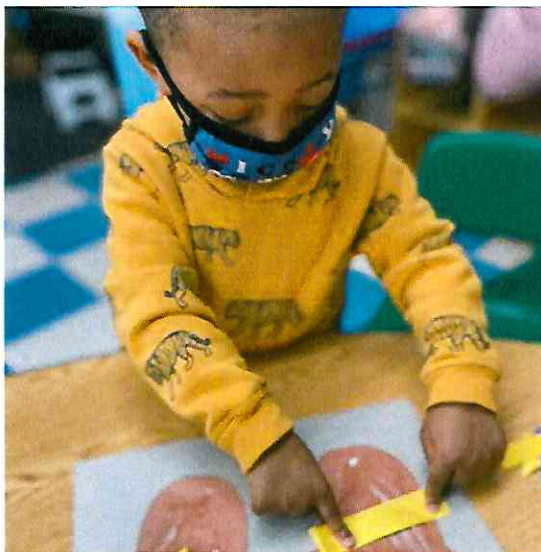

2020 has been a little hectic year for many of us but despite all the downfalls, we have made it to a new year! After all, time flies when we're having fun! For the month of January, children will of course, learn of the new year. We are also very excited in sustaining our winter unit and introducing WINTER ANIMALS. What are they? Where do they live? What do they eat? Ect. The bumblebees really enjoyed our previous month's winter unit. 🐼 Their colors, shapes, numbers, and letters will continue to be applied in every week's lesson plan.

Once again, we would like to thank every parent that has cooperated with Ms. Vanessa and I this past year. I and Ms. Vanessa am very thrilled to welcome 2021 with the bumblebee room at Toddler Town.

Thank you all again,
...stay warm, safe, and please continue practicing social distancing!
