Let's get the children bundled up and ready for Winter! This month our themes will be, but are not limited to: Valentine's Day, teddy bears, winter, loving one another, and building snowmen which will help with sensory and visual discussions. The letters we will talk about for the month of February are T, V, L and B. Our activities and art work are: making Valentine's Day cards, making teddy bears, building friendships and making paper gloves. Our motto remains in the Bumblebee room: Ready, Willing, and Able to Explore!

January was so much fun! We had a great time talking about snowmen, the Holidays, and the New Year. In February we will continue to talk about Winter animals – penguins and polar bears, Black History Month and Valentine's Day. The first week of February we will explore about ourselves. The second week we will learn about Valentine's Day and have a Valentine's Day party. The third and fourth week we will discuss African American history. We will discuss key African Americans who have helped make our country what it's today. We will also continue focusing on lower case letters and our names. Happy February!
