BumbleBees 2 Year Olds

Where did the summer go? Before you know it summer will be over and therefore the bumblebee class will continue to enjoy the rest of summer with themes that include; transportation, dentist, picnics, and under the sea. Our letters for the month of August are the letters T and D! We will continue to work on our Spanish which includes numbers from 1-15 and the basic colors. We will also like to welcome some of our new students who have joined the bumblebee room. Welcome Trinity, Ameah, Noelle and Kharissa! May your journey flourish in the bumblebee room! Parents enjoy the rest of your summer and remember here in the bumblebee class, our motto remains, “Ready willing and able to explore!”

Ms. Stephane and Ms. Vanessa

Chipmunks 3 Year Olds

August have arrived which means summer is almost coming to an end!

We learned so much in July that let's see what August has in store for us. This month we will discuss safety and how to use 911, introduce new shapes into our learning (Hexagon and Octagon) and getting to know each other. We are practicing the sounds of the letters and having fun writing. Remember parents we are always welcome to new theme or craft ideas. Until next month!

Ms. Sandra and Ms. Daulat

Payment Option #3: Payment in full on the 1st of the month (Thursday, August 1, 2013). Late fee of \$15 charged at 6pm.

Sharks

5 Year Olds

Hi everyone! Where has the summer gone? The Shark classroom feels just yesterday it was June and now we're in August! This month we will be discussing kindergarten as many of our friends will be leaving for it at the end of the month, ocean animals, feelings and handwashing. We will continue with our math by practicing counting by 10s all the way to 200 and early additions. We will continue improving our early reading skills with guessing games, clue games, rhyming words, sounding out the letters, reading books etc. Children will continue practicing writing their first and last names. Variety of art projects, games, and outdoor activities will accompany our learning.

Ms. Jaya and Mr. Dan

Butterflies 4 Year Olds

Dear Parents,

It's August, and the Butterflies are ready for a fresh start. This month, we will discuss money concepts, learn about camping, and study the nature of rocks. On the final week of August, we will do a review of everything we have learned. This month is a perfect month for coin/rock collecting at home! Every day, we experience social, physical, cognitive, and emotional development in our daily play. Look out for monthly calendars in the take-home-activity folders once at the beginning of each month. The purpose of our monthly calendar is to practice with number recognition, fine motor development, writing skills, time and even reading skills. We will continue to focus in more on language and reading by practicing letter sounds. I encourage parents to send their child to school with a book to share and read. Any opportunity to spark an interest in reading and phonics is a great opportunity in our class. Recently, we have added **The Word Wall** in our classroom where we will be reviewing CVC words (consonant-vowel-consonant pattern) through the sound-it-out method.

Thank you,

Ms. Alex and Mr. Erik
