KOALAS: 5 YEAR OLDS

The Koalas Class had a great month! We learned about the letter G, we practiced math problems and we studied the meaning of Thanksgiving. We also explored some great activities. For example, in this picture, the children wrote what they were thankful for. This was displayed in our class throughout the month of November. We had such a wonderful month and we can't wait to see what December brings.

For the month of December, the class will be learning about some amazing themes! We will be studying different holidays celebrated around the world, create various projects, and practice singing for our holiday show which is on Wednesday December 20th.

Parents: Mrs. Megan will be returning to the classroom on December 18th full-time. If you have any questions or concerns please see Mrs. Megan or Mrs. Cintya and we will be happy to help.

Mrs. Megan and Mrs. Cintya 773-622-9433 EXT 27

THE BEARS

Happy Holidays everyone! I can't believe the year has flown by so fast! To recap the month of November, we went over the topics of Family, Health, Imagination, being Thankful and Jungle animals. We had our pictures taken for picture day and created our own stories, as well as a classroom one. We also talked about being thankful and drew our families. We also reviewed our numbers from 7-11. For the month of December, we will be continuing our letters by discussing the topics of Kindness and Winter and reviewing the number 12. We will be discussing what we can do to be kind and what happens in the Winter. We will also be creating art using winter collage materials for our winter themed art projects. It should be a great month!

Ms. Taga 773-622-9433 EXT 26

Lifetouch photos are in Mr. Robert's office.

THE EXPLORERS: 4 YEAR OLDS

Hello parents! The month of November was such an educational month for us. We learned and discussed about "Thanksgiving Day". The students learned about the Thanksgiving meaning. The holiday commemorates a harvest festival celebrated by the Pilgrims in 1621, and is held in the US on the fourth Thursday in November. We also learned about different ways to be thankful with others, along with theme related art projects. Take a look at one of our art projects that were on display in November.

For the month of December, we will learn about the winter season, culture, and celebration from other countries around the world and we will do some art projects related to the winter season. We will be performing on Wednesday December 20th.

Ms. Pas 773-622-9433 EXT 25

BUTTERFLIES: 3 YEAR OLDS

Happy Holidays! Last month was full of fun as we learned the history of Thanksgiving, made fun Thanksgiving projects and had a Fall Harvest party. Thanks to all the parents that participated!!! This month we will continue with our everyday academics. We will also focus on letters C, H, S and numbers 8 and 9. We will talk about Christmas and what it entails. In addition, we will work on projects pertaining to the holidays in which the children will get to pick what projects they'd like to work on. Lastly, parents please update your child's cubby with weather appropriate clothing. We also want to remind parents that due to the cold and possible upcoming snowy weather that they place their child's outdoor attire in the blue/clear bags. If you need a bag, please let the teacher know.

Ms. Barber & Ms. Irene

BUMBLEBEES: 4 YEAR OLDS

To recap the month of November the children covered the topics Farm Animal, reviewed past lessons, math area (more than, less than or equal), and ended with Thanksgiving. Some of the small group projects were: mix and match numbers, turkeys with my hand. Large group, the children worked together to make a big paper turkey with feathers and decorated it.

For December the children will cover the topics about Winter Wonderland. During these weeks, the children will make projects, drawing Christmas Trees and making paper snowmen. The children also will decorate the Bumblebees classroom with a Christmas tree. Finally, the students will have our annual spirit week 12/18-12/22 and perform at our Winter Festival which will be on Wednesday December 20th.

Mr. Temok 773-622-9433 EXT 24

TOUCANS: 2 YEAR OLDS

Well here we are ...We can't believe it's December already, but we are completely ready to ROCK this holiday season. November was filled with a lot to be THANKFUL for. We talked about family, pets, friends that make our life complete. We made our annual Thanksgiving friendship mix and shared with friends and family as we dressed to represent Pilgrims and Native American Indians. Now that December is here, so is our Elf on the Shelf "Chippy"! He "lands" in a new spot each night to surprise the kids while they play. So far he reports they have been mostly "NICE". We are practicing 2 great songs for our Winter Solstice performance on December 20th and we are doing a craft a day for the holiday season. May God grant you peace in your lives and a very Blessed Holiday Season and a Healthy Happy New Year.

Miss Merry and Miss Areli

TODDLER TOWN DAYCARE TOO HEALTHY FOOD POLICY

Dear Parent/Guardian,

At Toddler Town Daycare, we love celebrating birthdays, holidays, and special occasions. We also want to ensure we are teaching the children life-long healthy eating habits. This is why **beginning January 1st, 2013, we will only be allowing parents/guardians to bring in healthy snacks during these special times.**

We will no longer allow foods such as cupcakes, cakes, doughnuts, or candy to be brought in during birthdays or holidays. Instead, we encourage you to explore healthier options to share with the class and save the sugary foods to eat at home. The teachers will also stop giving out candy as rewards and will instead give out prizes like art supplies, books, chalk, bubbles, and other items to expand your child's mind.

You are welcome to send healthy treats or goody bags to share with classmates. Please let the teachers know in advance that you will be bringing a treat to class and the teachers will arrange to distribute the treats or goody bags to the children after naptime or at dismissal.

All healthy food items must arrive unopened as packaged by the manufacturer or it will not be accepted. Homemade treats are not permitted by the Illinois Health Department. And as always, no nuts are allowed.

Remember, if you would like to celebrate with your child's birthday at school please, **Bring In Really Tasty Healthy Delicious Appetizing Yummy Snacks!**

Birthday Treat suggestions

- Fruit popsicles
- Fruit cups
- Yogurt
- Rice Cakes
- Fruit Muffins
- Fresh Fruit
- Hand Snacks

Goodie Bag suggestions

- Stickers
- Markers/Crayons
- Books
- Chalk
- Bubbles
- Coloring Books
- Puzzles

Two great websites that also offer snack ideas and healthy eating are: www.choosemyplate.gov and www.colormehealthy.com.

We thank you in advance for your cooperation and understanding!
